The Queen has been pleased to direct that the following Regulations respecting Foreign Orders and Medals shall be substituted for those now in force:

REGULATIONS RESPECTING FOREIGN ORDERS.

1. No Subject of Her Majesty shall accept a Foreign Order from the Sovereign of any foreign country, or wear the Insignia thereof, without having previously obtained Her Majesty's permission to that effect, signified by a Warrant under Her Royal Sign Manual.

2. Such permission shall not be granted to any Subject of Her Majesty, unless the Foreign Order shall have been conferred in consequence of active and distinguished Service before the Enemy, either at Sea or in the Field; or unless he shall have been actually and entirely employed, beyond Her Majesty's dominions, in the Service of the Foreign Sovereign by whom the Order is conferred.

3. The intention of a Foreign Sovereign to confer upon a British Subject the Insignia of an Order, must be notified to Her Majesty's Principal Secretary of State for Foreign Affairs, either through the British Minister accredited at the Court of such Foreign Sovereign, or through His Minister accredited at the Court of Her Majesty.

4. If the service for which it is proposed to confer the Order has been performed during War, the Notification required by the preceding Clause must be made not later than two years after the exchange of the Ratifications of a Treaty of Peace.

If the service has been performed in time of Peace, the Notification must be made within two years after the date of such service.

5. After such Notification shall have been received, Her Majesty's Principal Secretary of State for Foreign Affairs shall, if the case comes within the conditions prescribed by the present Regulations, and arises from naval or military Services before the Enemy, refer it to Her Majesty's Principal Secretary of State for the War Department, previously to taking Her Majesty's pleasure thereupon, in order to ascertain whether there be any objection to Her Majesty's permission being granted.

A similar reference shall also be made to the Commander-in-chief, if the application relates to an Officer in the Army, or to the Lords of the Admiralty, if it relates to an Officer in the Navy.

6. When Her Majesty's Principal Secretary of State for Foreign Affairs shall have taken the Queen's pleasure on such application, and shall have obtained Her Majesty's permission for the person in whose favour it has been made to accept the Foreign Order, and wear the Insignia thereof, he shall signify the same to Her Majesty's Principal Secretary of State for the Home Department, in order that he may cause the Warrant required by Clause 1 to be prepared for the Royal Sign Manual.

When such Warrant shall have been signed by the Queen, a Notification thereof shall be inserted in the Gazette, stating the service for which the Foreign Order has been conferred.

7. The Warrant signifying Her Majesty's permission, may, at the request and at the expense of the person who has obtained it, be registered in the College of Arms.

8. Every such Warrant as aforesaid shall contain a Clause providing that Her Majesty's licence and permission does not authorise the assumption of any style, appellation, rank, precedence, or privilege appertaining to a Knight Bachelor of Her Majesty's Realms.

9. When a British Subject has received the Royal permission to accept a Foreign Order, he will at any future time be allowed to accept the Decoration of a higher Class of the same Order, to which he may have become eligible by increase of rank in the Foreign Service, or in the Service of his own country; or any other distinctive mark of honour strictly consequent upon the acceptance of the original Order, and common to every person upon whom such Order is conferred.

10. The preceding Clause shall not be taken to apply to Decorations of the Guelphic Order which were bestowed on

British Subjects by Her Majesty's predecessors, King George IV. and King William IV., on whose heads the Crowns of Great Britain and of Hanover were united.

Decorations so bestowed cannot properly be considered as rewards granted by a Foreign Sovereign for services rendered according to the purport of Clause 2 of these Regulations. They must be rather considered as personal favours bestowed on British Subjects by British Sovereigns, and as having no reference to services rendered to the Foreign Crown of Hanover.

REGULATIONS RESPECTING FOREIGN MEDALS.

1. Application for permission to accept and wear Medals which, not being the decoration of any Foreign Order, are conferred by a Foreign Sovereign on British subjects in the Army or in the Navy, for military or for naval services, should be addressed, as the case may be, to the Commander-in-Chief, the Master-General of the Ordnance, or the Lords of the Admiralty, who, if they see fit, may submit the same to Her Majesty's Principal Secretary of State for Foreign Affairs, for Her Majesty's sanction; upon obtaining which, they may grant such permission without any other formality.

2. Permission to wear a Foreign Medal cannot be granted to a British subject, unless such Medal is bestowed for military or naval services performed by the command or with the sanction of Her Majesty. But no permission is necessary for accepting a Foreign Medal, if such Medal is not to be worn.

ORDER IN COUNCIL, MARCH 1, 1864.

At the Court at *Windsor*, the 1st day of March, 1864.

PRESENT,

The QUEEN'S Most Excellent Majesty in Council.

WHEREAS by the Act twenty-four and twenty-five Victoria, chapter one hundred and twenty-nine, Her Majesty was empowered to avail herself of the services of a certain number of Officers of the Merchant Service of the United Kingdom, and of the Colonies and Dependencies of Great Britain, as Officers of Reserve to the Royal Navy; and whereas certain Regulations have been made under the said Act, and in pursuance of the said Act and of the said Regulations made thereunder, a considerable number of such Officers have been enrolled as Officers of Reserve; and whereas by the Officers of Royal Naval Reserve Act, 1863, twenty-six and twenty-seven Victoria, chapter sixty-nine, it is enacted as follows, viz.:—

"1. It shall be lawful for Her Majesty to accept from time to time the offers of any persons who have been, are, or shall be Masters, Mates, or Engineers of Ships in the Merchant Service aforesaid, or of other British Ships not belonging to Her Majesty, or of any persons who have been Commissioned Officers, Masters, or Engineers in the Indian Naval Force of Her Majesty, or in the Naval Force of the East India Company, to serve as Officers of Reserve to the Royal Navy, upon such terms and conditions as to Her Majesty may from time to time seem fit.

"2. The Lord High Admiral, or the Commissioners for executing his office, hereinafter called the Admiralty, may enrol as Officers of Reserve to the Royal Navy so many of such persons as aforesaid as the Admiralty may from time to time deem expedient, under and subject to such rules, orders, and regulations as the Admiralty may, with the consent of Her Majesty in Council, from time to time establish; and such persons so enrolled shall bear such rank in respect to the Officers of the Royal Navy as the Admiralty may from time to time direct, and shall when called out for training or exercise, or on actual service, be subject to all the laws, regulations, and customs for the time being in force for the government and discipline of the Royal Navy.

"3. Such persons so enrolled as Officers of Reserve shall be entitled to receive such pay and allowances as the Admiralty, with the consent of Her Majesty in Council, may from time to time appoint; and if any such person is disabled or receives any hurt or wound in actual service, he shall be entitled to the same allowance or pension in respect thereof as an Officer of the Royal Navy of corresponding rank would be entitled to under similar circumstances; and if any such person is killed in action, or dies from any wound or accident resulting from the performance of his duty, his widow (if any) shall be entitled to the same pension as the widow of an officer of the Royal Navy of corresponding rank would be entitled to under similar circumstances.

"4. It shall be lawful for Her Majesty to continue the services of all persons who have been enrolled as Officers of Reserve to the Royal Navy before the passing of this Act, and the services of all such persons shall be deemed to be continued by Her Majesty as if this Act had not been passed, unless and until Her Majesty thinks fit to discontinue the same.

"5. All rules, orders, and regulations relating to persons enrolled as Officers of Reserve to the Royal Navy made before the passing of this Act by the Admiralty, with the consent of Her Majesty in Council, shall, with respect to all persons enrolled before the passing of this Act, continue in force as if this Act had not been passed, and shall also extend and apply, as far as may be (mutatis mutandis), to all persons so enrolled after the passing of this Act, but so that any rules, orders, and regulations made as aforesaid from time to time under this Act may repeal or alter all or any part of any rules, orders, and regulations made before the passing of this Act, and shall, unless otherwise expressed, extend and apply as well to persons so enrolled before the passing of this Act as to persons so enrolled after the passing of this Act.

"6. On the passing of this Act the Act of the Session of the twenty-fourth and twenty-fifth years of Her Majesty (chapter one hundred and twenty-nine), 'to enable Her Majesty to accept the services of Officers of the Merchant Service as Officers of Reserve to the Royal Navy,' shall be repealed; but this repeal shall not affect the past operation of the said Act, or the validity of anything already done, or any right, title, obligation, or liability already accrued thereunder."

And whereas the Lords Commissioners of the Admiralty have submitted for the approval of Her Majesty the Regulations appended to this Order, as Regulations proper to be substituted for the Regulations hitherto in force under the Act twenty-four and twenty-five Victoria, chapter one hundred and twenty-nine:

Now, therefore, Her Majesty is pleased to direct that the said Regulations appended to this Order shall take effect from the date hereof.

ARTHUR HELPS.

(*a.*) Engineers having similar qualifications to those required of a First Class Assistant Engineer, excepting that they need not have served afloat for a period of 3 years.

Engineers and Assistant Engineers of the Reserve will not be required to undergo drill.

In selecting applicants for Commissions, preference will be given to those possessing Extra Certificates of competency, provided their merits appear to be equal in other respects.

Qualification for a Lieutenant's Commission will be a qualification for a Sub-Lieutenant's Com-

mission; and a qualification for an Engineer's Commission will be a qualification for an Assistant Engineer's Commission.

After the 1st January, 1865, no person will be eligible for a Commission as Lieutenant on the Active List in the Royal Naval Reserve until he has held a Commission as Sub-Lieutenant on the Active List of the Reserve for one year or upwards. And after the same date no person will be eligible for a Commission as Engineer in the Royal Naval Reserve until he has held a Commission or Appointment as Assistant Engineer of the Reserve for one year or upwards.

Honorary Commanders, Chief Engineers, Lieutenants, and Sub-Lieutenants.

In addition to the Officers of the Reserve on the Active List, there shall be a class of Honorary Officers of the Reserve, not exceeding in the whole 160 in number, and of the ranks named below, viz.:—

(*a.*) Honorary Commanders of the Reserve not exceeding 30 in number, and consisting of Officers of the Reserve who have held Lieutenants' Commissions for not less than 5 years, and who are not less than 50 years of age. Honorary Commanders of the Reserve will rank with, but after, Staff Commanders of the Royal Navy.

(*b.*) Honorary Chief Engineers of the Reserve, not exceeding 30 in number, and consisting of Officers of the Reserve who have held Commissions as Engineers of the Reserve for not less than 10 years, and who are not less than 50 years of age. They will rank with, but after, Chief Engineers of the Royal Navy.

(*c.*) Honorary Lieutenants and Sub-Lieutenants of the Reserve, not exceeding 100 in number, and consisting of:—

(1.) For Honorary Lieutenants; Masters of Vessels actually afloat and in command, and possessing qualifications similar to the qualifications of the Lieutenants on the Active List, except that they must be above 45 years of age, and need not be in possession of Certificates of competency; and

(2.) For Honorary Lieutenants; Owners of seagoing pleasure yachts of 50 tons register or upwards, who command and act as Masters of their own yachts; and

(3.) For Honorary Lieutenants; Superintendents of Mercantile Marine Offices who have served as Masters in the Merchant Service; and

(4.) For Honorary Sub-Lieutenants; Deputy Superintendents of Mercantile Marine Offices who have served as Chief Mates, or who have attained a higher rank in the Merchant Service.

Honorary Lieutenants of the Reserve will rank with, but after, Lieutenants and Masters of the Royal Navy; and Honorary Sub-Lieutenants of the Reserve will rank with, but after, Sub-Lieutenants and Second Masters of the Royal Navy.

The Officers on the Honorary List will not be required to undergo drill, nor will they be liable to be called out for active service, except in cases of emergency, and not then, unless they have been at any time on the Active List.

Promotion.

Officers of the lower rank in the Active List will, if qualified, be eligible for promotion to the higher rank on that list, at the discretion of the Lords Commissioners of the Admiralty.

Officers who, when in actual service, may, by the character or length of their service, obtain the special approbation of the Lords Commissioners of the Admiralty, will be eligible to receive Commissions as Officers in the Royal Navy, of the same grade as that with which they may rank at the time. They will then be considered in all respects as Officers on the permanent strength of the Navy.

Officers who, whilst on actual service, shall have distinguished themselves in action with the enemy, or by the character and length of their services, will be eligible, at the conclusion of their service in the Navy, for promotion to the higher honorary ranks of Commander and Captain of the Naval Reserve, at the discretion of the Lords Commissioners of the Admiralty.

Officers of the Reserve who shall have displayed zeal in promoting the efficiency of the Reserve will be favourably considered for promotion, at the discretion of the Lords Commissioners of the Admiralty.

Retirement.

Officers who wish to retire from the Active List may do so at the discretion of the Lords Commissioners of the Admiralty, on consideration of their services; either

(1.) Without rank; or

(2.) On the Honorary List, with the rank they may hold at the time of their retirement; or

(3.) On the Honorary List at a higher rank.

Uniform.

Officers to wear the same uniform as Officers of corresponding rank in the Royal Navy, with the following exceptions, viz.:—

Commanders, Chief Engineers, Lieutenants, Sub-Lieutenants, and Engineers.—Instead of each stripe of half-inch lace round the sleeves of the coats, there is to be a stripe formed of two waved lines of quarter-inch gold braid, intersecting each other, so as to form bands half an inch wide, the blue cloth to show between the curves.

The Engineers' Department are to be distinguished by purple velvet stripes, quarter inch wide, between the gold braid waved lines round the sleeves of the coat.

Engineers who are only entitled to one waved line, the velvet stripe is to be worn below the gold braid on the sleeves of the coat.

Assistant Engineers, one waved stripe of purple velvet, quarter inch wide, round the sleeves of the coat above the cuff, without any gold braid.

The buttons to be of the Royal Navy pattern, with the letters "R.N.R." in Old English character, surmounted by a crown.

Instead of the anchor on the epaulettes and shoulder straps respectively, there is to be a badge consisting of a silver anchor in the centre, surrounded with the words "Royal Naval Reserve" embroidered in gold.

Instead of the bullion loop on the cocked hats, the loop to be formed of two gold braids, twisted the same as for coat sleeves.

The badge for the caps to consist of a device similar to that on the epaulettes, embroidered on blue cloth and surmounted by a crown.

The plate for the sword-belt to be the same as for Officers of the Royal Navy, substituting the letters "R.N.R." for the anchor in the centre.

Drill.

Lieutenants and Sub-Lieutenants on the Active List of the Royal Naval Reserve will be required to undergo in each year a course of twenty-eight days' drill and gunnery instruction on board one of the District Drill Ships, or if absent from England above a year, and unable to take their drill on board a Drill Ship, they may perform it on board one of Her Majesty's ships abroad having a Gunnery Lieutenant.

But on a special report being made to the Lords Commissioners of the Admiralty by the Commander of such Drill or Gunnery Ship in the United Kingdom, or by the Captain of such ship abroad, to the effect that a Lieutenant or Sub-Lieutenant of the Reserve is competent to instruct and drill men of the Reserve, then such Lieutenant or Sub-Lieutenant will be required to undergo seven days' test drill each year, and if such test drill is performed to the satisfaction of the officer superintending the drill, the further twenty-one days will be dispensed with; but if the seven days' test drill is not satisfactory, the further twenty-one days' drill must be performed.

Messing.

Officers, whilst on drill, will live on shore, and receive the following subsistence allowance, viz.:—

Lieutenants . . . . 10*s.* a-day.
Sub-Lieutenants . . . 7*s.* a-day.

All Officers called out for service will mess with Officers of their respective ranks in the Royal Navy.

Discipline.

Officers will be subject to naval discipline when attending drill, and when called out for actual service; and will also at any time whilst belonging to the Reserve be liable to lose their Commissions for conduct unbecoming the character of Her Majesty's service, at the discretion of the Lords Commissioners of the Admiralty. They are expected to provide themselves with a copy of the Queen's Regulations and Admiralty Instructions.

Service Afloat.

Officers of the Royal Naval Reserve will be called out for actual service by Royal Proclamation; and they will be liable to serve during the continuance of any national emergency, or until they may be regularly discharged by the direction of the Lords Commissioners of the Admiralty.

Pay and Allowances, and Pensions to Widows.

Officers will, whilst called out for actual service, receive the pay of their corresponding ranks in the Royal Navy.

Officers who may receive hurts or wounds whilst on active service in the Royal Navy, or whilst undergoing drill, will receive the same pensions and allowances to which Officers in the Navy would be entitled under similar circumstances.

Widows of Officers who, whilst on actual service, may be killed in action, or die from accident resulting from the performance of their duty, will receive the same pensions as the widows of Naval Officers of corresponding rank would be entitled to under similar circumstances.

Repeal.

All Rules, Orders, and Regulations made in pursuance of the Act twenty-four and twenty-five Victoria, chapter one hundred and twenty-nine, shall be repealed from the date when these Regulations come into operation; but this repeal shall not affect the validity of anything already done, or any right, title, obligation, or liability already accrued thereunder.

THE QUEEN'S MOST EXCELLENT MAJESTY IN COUNCIL.

Whereas there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 14th day of February, 1866, in the words following, viz.:—

"Whereas by the fifth section of an Act passed in the twenty-ninth year of Your Majesty's reign, chapter eighty-nine, entitled 'An Act to provide for the better government of Greenwich Hospital,' it is, amongst other things, enacted that it shall be lawful for Your Majesty in Council from time to time, by Order in Council, to appoint such pensions as seem fit to Officers of Your Majesty's Navy, for the time being, entitled to the benefits of Greenwich Hospital, to be enjoyed by them so long only as they are not on the establishment, or inmates of Greenwich Hospital, but in addition to any half-pay, pension, or other allowance coming to them otherwise than under any such Order in Council, and to prescribe the conditions on which such pensions are to be held; and whereas we are of opinion that it would be expedient to award the pensions hereinafter mentioned to officers of Your Majesty's Navy, such pensions to be called 'Greenwich Hospital Pensions,' and to be paid out of Greenwich Hospital Funds. We do, therefore, beg leave to recommend that Your Majesty may be graciously pleased by Your Order in Council to sanction the following pensions being granted:—

Admiralty, 17th January, 1866.

REGULATIONS ESTABLISHED BY THE LORDS COMMISSIONERS OF THE ADMIRALTY,

For the Admission of Boys to the Royal Hospital School at Greenwich.

The school consists of 800 boys, the sons of commissioned officers, warrant officers, engineers, assistant engineers, petty officers, and seamen, and of non-commissioned officers and privates of marines, who have served or are now serving in the Royal Navy; of men who have served or are now serving in the coast guard; of officers or seamen registered in any way to serve Her Majesty; or of seafaring persons.

With the exception of the right of presentation enjoyed by Lloyd's Patriotic Fund Committee, all claims for admission to the school will be judged of by a Committee of Selection appointed by their Lordships, in accordance with the under-mentioned scale.

1st Class.—(1.) Orphans, both parents dead.

(2.) Sons of fathers killed, drowned, or deceased in Her Majesty's service, or while employed by Her Majesty on board a merchant ship, or in action with an enemy, pirate, or rebel.

(3.) Those whose fathers have been wounded or maimed in Her Majesty's Service.

2nd Class.—Sons of engineers, assistant engineers, and warrant officers not included in the before-mentioned class.

3rd Class.—(1.) Those whose fathers are serving, and whose mothers are dead, according to rating and service of father.

(2.) Sons of pensioners, according to class, not already included. Sons of out-pensioners, and sons of seamen and marines now serving.

4th Class.—(1.) Sons of seamen registered in any way to serve Her Majesty.

(2.) Sons of seafaring persons whose claims will be judged of by the Committee of Selection.

The sons of commissioned officers are admissible with the sons of seamen, and their claims for admission considered by the Committee of Selection under the same conditions.

At the request of the parents or guardians of candidates for admission, a "Form of Application" will be sent to them by the Captain Superintendent, Greenwich Hospital; which, when properly filled up, must be returned to him as directed, with the two following certificates:—

1. A certificate of the marriage of the parents; or, if not attainable, other satisfactory proof thereof.
2. Register of the child's birth.

A certificate of the father's servitude at sea upon which the claim for admission is founded, whether in the Royal Navy or merchant service, will be obtained by the proper officer from the Admiralty or from the Registrar-General of Seamen; and due notice will be given without further application, should the child be selected for admission into the school.

Boys eligible for admission must be between ten and eleven years of age, physically fit for sea-service, be able to read an easy sentence, and possess a knowledge of the first four rules in arithmetic.

Boys will be discharged from the school on the first day of the month succeeding that in which they shall attain the age of fourteen years and six months, unless either they volunteer, with the consent of their parents, to enter the Royal Navy,—in which case, if they are physically fit for the service, and of good character, they will be entered as boys on board Her Majesty's Ship 'Excellent,'—or unless they succeed by their talents, industry, and good conduct, in obtaining admission into the "Nautical Division" by competitive examination.

The "Nautical Division" will consist of eighty boys, who will be discharged on the first day of January, April, July, or October, after they shall have attained the age of fifteen years and six months; special cases in which boys are recommended by the Principal of the school for a further time, not exceeding six months, will be taken into consideration by the Lords Commissioners of the Admiralty.

The education of the boys will comprise, in the "Lower Division," the usual elements of a sound English education, geography, English history and grammar, French, and drawing.

In the Nautical Division, in addition to the above, trigonometry, navigation, and nautical astronomy will be taught.

The practical instruction for the out-of-school hours will consist of knotting and splicing, a knowledge of the parts of a ship and rigging, and the great gun and cutlass exercise.

Children of Roman Catholics, or of Protestants not being members of the Church of England, will not be required to learn the Church catechism, and will be allowed to attend convenient places of public worship, in accordance with the religious persuasion of their fathers, provided application be made to that effect at the time of admission, by the father, if living; and if the father be dead at the time of a child's admission, then the marriage certificate or baptismal register of such child, according to the rites and ceremonies of any established religious community, of a date previous to the said father's death, will be received as evidence of the religious tenets of the father; that is, provided no authentic document written by the deceased father be produced, expressing a contrary wish or direction, as regards the religious instruction of such child.

MEMORANDUM.

The sentence of a Court-Martial, placing an Officer at the bottom of the list of his rank, involves the loss of previous time of service in that rank; so also, when the sentence of a Court-Martial takes away any seniority from an Officer, it thereby affects his Full and Half-Pay, in cases where the same depend upon seniority; and it carries with it the loss of the benefit of the service included in the seniority forfeited, in cases where the Full and Half-Pay depend upon actual service.

ENTRY AND EXAMINATION OF OFFICERS.

REGULATIONS FOR THE ENTRY AND EXAMINATION, OF NAVAL CADETS.

Admiralty, 6th February, 1865.

I. No person will be nominated to a Cadetship in the Royal Navy who shall be under 12 or above 14 years of age at the time of his *first* Examination.

II. Every Candidate, when nominated, will be required to pass an Examination at the Royal Naval College at Portsmouth, on the *first* Examination day after his nomination.

N.B.—The Examinations take place on the *first* Wednesday in the months of April and December, and on the *third* Wednesday in the month of August.

III. The Candidate must produce a Certificate of Birth, or Declaration thereof made before a Magistrate.

IV. The Candidate must be in good health and fit for the Service, that is, free from impediment of speech, defect of vision, rupture, or other physical inefficiency.

The Candidate will be required—

1. To write English correctly from dictation, and in a legible hand.
2. To read, translate, and parse a passage from French, or from some other Foreign Living Language.

N.B.—The aid of a Dictionary will be allowed for these Translations.

And to have a satisfactory knowledge of—

3. The leading facts of Scripture and English History.
4. Modern Geography, in so far as relates to a knowledge of the principal Countries, Capitals, Mountains, and Rivers. To be able to point out the position of a place on a map when its Latitude and Longitude are given.
5. Arithmetic, including Proportion, and a fair knowledge of Vulgar and Decimal Fractions.
6. A knowledge of the Definitions and Axioms of the First Book of Euclid.

Should a Candidate be able to speak French or any other Foreign Living Language, it will be noted in his favour, and as Drawing is a most useful qualification for Naval Officers, it is recommended that Candidates for the Service should be instructed therein.

V. If the Candidate be found not qualified at his First Examination, he will be allowed a second trial on the *next* Examination day at the Royal Naval College. Should he not pass this Second Examination, he will be *finally rejected*.

VI. If the Candidate succeed in passing the required Examination he will be at once appointed to a Training Ship for the purpose of instruction.

VII. Lists of Books, Instruments, Clothing, &c., required while in the Training Ship, will be sent to the successful Candidates.

VIII. Periodical Examinations will be held on board the Training Ship, and if a Cadet be found not to have made sufficient progress, or if, by indifferent conduct or idle habits on board the Training Ship, he shall show his unfitness for the Service, it will be the duty of the Captain to make a Special Report thereof to the Admiralty, in order that the Cadet may be at once removed from the Navy.

IX. After having completed 12 months' instruction, exclusive of vacations, in the Training Ship, a Cadet will have to undergo the final examination. Should he be found qualified he will be granted a Certificate to that effect, and be appointed to a Sea-going Ship. Should he be found not qualified, he will be discharged.

N.B.—In the case of a Candidate nominated to a First Class Cadetship, upon the recommendation of the Secretary of State for the Colonies, as a native of one of the Colonies, he will be Examined in the first instance on board the Senior Officer's Ship on the station, and will then be required to join the Training Ship in England, as in the case of other Cadets. It is, however, to be fully understood that arrangements must be made for his lodging and maintenance during the vacations (6 weeks at Midsummer, and 5 weeks at Christmas), during which periods he will not be permitted to remain in the Britannia.

MEMORANDUM (late) No. 17.—C.

Admiralty, 26th August, 1862.

(PASSING FOR LIEUTENANTS AND MASTERS.)

Midshipmen and Acting Sub-Lieutenants are required to pass their several Examinations for the rank of Lieutenant, in accordance with the Regulations which were in force at the time when they severally entered Her Majesty's Service.

Officers who entered the Service previously to the 1st May, 1857, are to be allowed the option of passing after Five Years' Service, under the provisions of the late Circular No. 288, paragraph 20. Should they fail to pass under those provisions, they will be required again to undergo their several examinations for the Rank of Lieutenant at the expiration

Six Years' Service; and in no case will Seniority be allowed an Officer from an earlier date than the completion of such Six Years.

Officers who entered the Service between the 1st May, 1857, and April, 1860, must pass in accordance with the late Circular No. 298.

The Regulations referred to will be re-inserted in the Quarterly Navy List.

Masters' Assistants and Acting Second Masters will not be required to produce the number of observations mentioned in Article 11, page 63, of the Instructions until May, 1863.

By Command of their Lordships,
C. PAGET.

To all Commanders-in-Chief, Captains, Commanders, and Commanding Officers of Her Majesty's Ships and Vessels.

EXTRACT FROM LATE CIRCULAR, No. 298.

Admiralty, 23rd February, 1857.

XI. All Midshipmen, until they shall have passed their examinations for Lieutenant, are to keep a book in which the ship's reckoning is to be worked out and noted, and when they are at sea this book is to be sent in every day to the Captain, instead of the slip of paper containing a day's work, which is now usually presented. It is also to be produced at their examinations; and during the last six months of their service as Midshipmen it must contain the working of the Observations as given in Sheet B.

XII. A Midshipman when he shall have served eighteen months in that rank will be required to pass an intermediate Examination. In addition to the subjects embraced in former Examinations he will be required to have—

1. A good knowledge of practical Navigation, showing that he understands the principle of Navigating a Ship from one distant port to another, by Dead Reckoning and by his own Observations; and that he can explain the principles of the same; and that he can also take and work a double Altitude and Azimuth.

2. A sufficient knowledge of the Chart as will enable him to place thereon the position of the Ship by Observation as well as by Cross Bearings; and to lay off the True and Compass Courses.

3. Such knowledge of Nautical Surveying, as may enable him to measure a base line and determine positions by angles, and the manner of ascertaining heights and distances.

4. If he has served in a Steam-Vessel, an acquaintance with the different parts and working of the Steam Engine.

5. A proficiency in French.

6. He must be a fair practical observer.

7. He must produce Log Books kept by himself from the time of his entry into a Sea-going Ship, and Certificates of Good Conduct.

8. He will likewise be examined as to his progress in the knowledge of rigging of Masts, Bowsprits, &c., in getting tops over and placing a lower cap, in setting up rigging, and especially as to the precautions required in staying lower Masts; in hoisting a quarter or stern boat up in a strong breeze with a Sea on; in making up a course and topsail for bending at Sea; in shifting topmasts, yards, and sails at Sea, and the effect of the sails on the Ship both in tacking and wearing; in the detail arrangements for mooring and unmooring Ships and getting under-way. He must likewise know the Great Gun and Small Arm Exercise, the use of Tangent Sights, the charges for the Guns of the Ship, and be able to Exercise the Men at his Quarters. A report of the progress he has made in each of the above subjects is to be made to the Secretary of the Admiralty in the Half-yearly Return.

XIII. The Examinations under Articles X and XII are to be conducted by the officer in command, not below the rank of Commander, and the next Senior Officer in the Ship, and the Examinations in Navigation, in the presence of a Captain or Commander, by two Naval Instructors when it may be practicable, or by a Naval Instructor and a Master, or where there is no Naval Instructor by two Masters, that in Gunnery by a Gunnery or other competent officer; and at these Examinations the Candidate is to be made to take and work out his own observations for Latitude, Longitude, Variation, &c., as the case may be. 1st or 2nd Class Certificates are to be given according to the merit of the Candidate, in the Form A, page 9, or he is to be rejected if found incompetent.

XIV. A Midshipman, when he shall have passed the Examination referred to in Article XII, must continue to serve in that rank for a further period of two years, and having completed such two years, he may, if he has attained the age of 19 years, present himself to pass his Examination for the rank of Lieutenant, in accordance with the Forms Nos. II., III., IV.

XV. The Examination for the rank of Lieutenant is to be conducted before three Captains or Commanders, by order of the Commander-in-Chief or Senior Officer of two or more ships present together; but a Midshipman having completed his term of service, and being 19 years of age, who is serving in a ship or vessel so far separated from other ships that the foregoing Regulation cannot be complied with, may be provisionally examined by the Captain or Commander of such ship or vessel, with the aid of other competent Officers—Lieutenant, Master, or Second Master, and if they find him to be duly qualified, they are to give him a certificate to that effect, dated on the day of such examination, and the Captain may forthwith give him an acting order as Mate; but he must be re-examined on the first opportunity that shall afterwards offer by three Captains or Commanders, as before required, and if he passes successfully, he will receive from the Commander-in-Chief, or Senior Officer, an acting order as Mate to take rank according to the date of the first certificate.

As the above is the final Examination in Seamanship, the Examining Officers are to be most strict in their investigation of the qualifications of Officers, and they are to see that everything required by these Regulations has been complied with by the Candidate, and that he produces Certificates of good conduct from Captains he has served under for five years.

XVI. All Midshipmen and Acting Mates will be required to undergo the following final Examinations—

1. In Gunnery—On board the Excellent.
2. In Navigation and the Steam Engine—At the Royal Naval College.

Acting Mates who have already passed abroad are to present themselves for Examination on board the Excellent on the first * Examination Day after their arrival in England, or after being paid off, and having passed in Gunnery, they are then at liberty to select either the 1st, 2nd, or 3rd Examination Day at the Royal Naval College.

XVII. Any Officer rejected on his first Examination at the College will incur the forfeiture of three months' seniority in his rank as Mate. He may present himself on the next Examination Day, but a second rejection will incur the forfeiture of three months more seniority; he may again present himself on the next Examination Day, but a *third rejection* will cause his name to be removed from the List of the Navy.

XVIII. Officers when they have passed their final examination at the Royal Naval College, as provided for in these Regulations, will be confirmed from the date of their first Certificate.

The non-appearance of an Officer for Examination at the Royal Naval College at the times required by these Regulations will be considered as an acknowledgment of his not being qualified, and he will be dealt with in the same manner as if he had been actually rejected on each day on which he may have omitted to appear, unless under certified ill-health, to be duly reported at the time.

XIX. Naval Instructors are to keep a School Journal or Register, which is to be produced when required by the Captain of the Ship or the Examining Officers, and the Captain is to allow them reasonable access to the charts and chronometers, for the purpose of instructing the Officers in their use.

XX. The Examinations under Articles X and XII are to commence with those Officers who shall enter the Service after May, 1857, and the final Examination at the Royal Naval College, required by these Regulations, is to commence in August, 1862; but any Midshipman, previous to that date, when he may have completed five years service, and who shall have attained the full age of 19 years, may present himself for final examination in Seamanship, Gunnery, and Navigation, in accordance with the foregoing Regulations, instead of having to serve six years as now required; but if he fails in passing his *first* Examination he will not be allowed to come up for re-examination until he has completed his six years' service.

XXI. With reference to Circular No. 56, of the 17th December, 1849,—The final Examination at the Royal Naval College, established by the foregoing Regulations, for the rank of Lieutenant, shall also be extended to the Examination of Officers for the rank of Master, with the exception of the knowledge of French; and the Regulations in regard to the rejection of Candidates, shall equally apply to them.

* By an Order dated 6th June, 1862, Officers are allowed to present themselves to pass in Gunnery on the *second*, instead of on the *first* examination-day, it being distinctly understood that such indulgence is not to interfere with the Regulations as to the time in which officers are required to pass the final examinations at the R. N. College.

Officers passing for the rank of Master will not be required to pass a Gunnery Examination.

XXIII. The Captains of H.M. Ships are to take care that a convenient place is set apart and proper hours are fixed for instruction by the Naval Instructor, and all Acting Mates and Acting 2nd Masters, as well as all executive Officers under that rank, are to attend, and care is also to be taken that they are regularly instructed in Practical Seamanship, Rigging, and the Steam Engine, and a Monthly Examination Day is to be established.

No. I.

The Examination on leaving the Training Ship will embrace all the subjects of the former Examination, except Latin, and in addition to them it will include

In Arithmetic—Involution, Extraction of Square Root.

In Algebra—Simple Equations.

The Elements of Geometry, as contained in the text-book published for the use of the Boys of Greenwich School, by John Murray, 1854.

Plane Trigonometry and the Solution of practical and useful Problems.

Spherical Trigonometry, the mode of solving Triangles, and its application to Simple Astronomical Problems.

In Navigation—A Day's Work and Meridional Altitudes, Longitude by Chronometer.

Nautical Instruments. To explain and use the Sextant, Azimuth Compass, Artificial Horizon, and Theodolite.

Some knowledge of the mode of Surveying, and the Construction of Charts.

French, as far as 50 lessons of Ollendorff's method of learning French, and the reading and translating of an easy passage from a French author without the aid of a dictionary.

Explanatory Lectures will be given on the Steam Engine, practical Astronomy, Nautical Instruments, Mechanics and Hydrostatics, and other subjects of general interest and instruction.

Certificates must be produced, approved by the Captain, from the Master of the Ship that the Candidate has gone through and is competent in the course of instruction in Rigging and Seamanship, and from the Naval Instructor, as to the Candidate's attention to the various branches of his education, as well as to his general conduct whilst on board the Training Ship.

CIRCULAR No. 19.—C.

Admiralty, 21*st June*, 1865.

(MERITORIOUS PASSING FOR THE RANK OF LIEUTENANT.)

With a view to encourage Officers to acquire a thorough knowledge of professional and other useful subjects, My Lords Commissioners of the Admiralty have thought fit to establish the following regulations:—

A Lieutenant's Commission will be given, in June and December of each year, to the Sub-Lieutenant who has passed the best examination at the Royal Naval College during the preceding six months, provided he has obtained First Class Certificates in Seamanship and Gunnery, and and not less than 925 marks in the College Examination. He must also be recommended by the Examining Officers, and must possess Certificates of good conduct and zeal in the performance of his duties for the whole period of his service.

The class of Certificate obtained will be noted against the Sub-Lieutenants' names in the Navy List, and those who have obtained First Class Certificates in all subjects, and who are in possession of proofs of good conduct and zeal in the performance of their duties during the whole period of their service, will be favourably considered for promotion in advance of other Sub-Lieutenants of the same standing.

My Lords intend to bestow a prize of books on all Sub-Lieutenants who may obtain First Class Certificates in all subjects.

By Command of their Lordships,
C. PAGET.

To all Commanders-in-Chief, &c.

(AWARD OF THE BEAUFORT TESTIMONIAL.)

The Lords Commissioners of the Admiralty having been pleased to approve of the request of the Committee of the Beaufort Testimonial Fund, that a Premium, to be called the BEAUFORT TESTIMONIAL, shall be annually bestowed upon the Officer who, in the course of the year, may pass the best examination in Navigation for the rank of Lieutenant or Master at the Royal Naval College at Portsmouth, their Lordships direct that the same be made known throughout the Fleet.

The Premium will consist of some Nautical Instrument, or Work, that may be practically useful to a Naval Officer: it will be awarded according to the decision of the First Mathematical Professor at Portsmouth, and a distinguishing mark will be placed in the Navy List against the name of the successful Candidate, as in the case of the Gilbert Blane Medal.

The names of Officers who pass successfully will be noted for employment in Flag and Senior Officers' Ships as Interpreters. When appointed they will receive an allowance of one shilling and sixpence a-day in addition to their full pay, and will act as Interpreters in addition to their other duties.

If the appointment be held by a Senior or Gunnery Lieutenant, he will receive the extra pay of an Interpreter in addition to his other allowances.

A thorough knowledge of one of the languages will entitle an Officer to a certificate as Interpreter.

The examination will be held from time to time at the Royal Naval College.

By command of their Lordships,
C. PAGET.

* Executive Officers—Marine Officers—Paymasters.

CIRCULAR No. 2.—C.

Admiralty, 4th January, 1866.

(PROVISIONAL EXAMINATION OF INTERPRETERS.)

My Lords Commissioners of the Admiralty have been pleased to direct that Officers of the undermentioned grades * be permitted to pass a provisional examination for the appointment of Interpreter, under the regulations laid down in Circular No. 31, C, of 1865.

The provisional examination is to be conducted on board a Flag or Senior Officer's Ship by an experienced Teacher of Languages, or by an Officer who has passed for Interpreter at the Royal Naval College, in the presence of a Captain and Naval Instructor.

The successful candidate is to be granted a certificate, and will be required to pass a final examination at the Royal Naval College, within one month after his arrival in England, or being paid off, as the case may be.

Should his services be required on board a Flag or Senior Officer's Ship, the successful candidate is to be ordered to act as Interpreter, and will be allowed extra pay accordingly.

All provisional examinations and appointments are to be forthwith reported to their Lordships.

By command of their Lordships,

CIRCULAR No. 16.—W.

Admiralty, 6th June, 1865.

(EXAMINATION FOR NAVAL INSTRUCTOR.)

The Lords Commissioners of the Admiralty are pleased to direct that the following Regulations relative to the examination of Candidates for the rank of Naval Instructor in the Royal Navy, be substituted for those now in force:—

A Candidate for an appointment as Naval Instructor must not be under 20, nor above 35 years of age. He will be examined at the Royal Naval College, under the directions of the Admiralty, and must be duly qualified in the following subjects, viz.:—

I. Arithmetic and Algebra.
II. The first Four and Sixth Books of Euclid.
III. Plane and Spherical Trigonometry, theoretical and practical.
IV. Mechanics, (such parts as do not involve the Differential Calculus.)
V. Hydrostatics, (ditto ditto ditto.)
VI. French, and a competent knowledge of the Classics.

Should he show a due proficiency in the above subjects of the Preliminary Examination, he will receive an order for admission to study at the College, in order to qualify himself in the subjects of the Final Examination for Naval Instructor, which will comprise:—

VII. The College Examination in Navigation, Nautical Astronomy, &c.
VIII. Observations with the Sextant, &c., the use of the Azimuth Compass and Chronometers, &c.

Although the knowledge of other modern languages, in addition to French, and of the principles of Drawing, is not considered as indispensable, it is very desirable that Naval Instructors should be able to give instruction in these branches of education; and preference will be always given to such as possess these attainments. Chaplains serving abroad may, under the directions of the Commander-in-Chief, be examined in the foregoing points by competent Officers nominated for the purpose, in the presence of a Captain or Commander. No Chaplain is to be considered eligible for an appointment as Acting Naval Instructor until he shall have passed, in every branch of knowledge referred to, a provisional examination for that office.

By Command of their Lordships,

C. PAGET.

To all Commanders-in-Chief, &c.

CIRCULAR (late) No. 60.—W.

Admiralty, 12th October, 1863.

(THE EDUCATION AND PROMOTION OF THE ENGINEERS OF THE ROYAL NAVY.)

My Lords Commissioners of the Admiralty have had under their consideration the present Regulations for the Entry and Promotion of Engineers in the Royal Navy, and, with the view of improving the education and increasing the efficiency of that Class of Officers, as well as improving the education of the Engineer Boys in the Government Factories, have established the following Regulations, which are to be substituted for those now in force:—

1. The term "Engineer Students" is to be substituted for that of "Engineer Boys."

2. Vacancies for appointments as Engineer Students will be open to public competition.

3. The Lists of Candidates will be kept by the Superintendents of the Dockyards, to whom all applications must be addressed.

*4. Candidates must not be less than fifteen or more than sixteen years of age on the first day of the month after the examination. Proof of age will be required by certificate of birth, extract from baptismal register, or declaration before a Magistrate, which must be produced at the time of the examination. They must also produce evidence of respectability and good character on a form which will be furnished by the Superintendents of the Dockyards. They will not be admitted for examination until they have been pronounced fit for H.M. Service by the Medical Officers in the Yards.

*5. Examinations will be held in January and June. The following will be the subjects of examination, and the maximum number of marks for each subject:—

*Arithmetic, including vulgar and decimal fractions, and square and cube roots	250
*Orthography	100
*Handwriting	100
*Grammar and English Composition	200
Geography	100
Translation of French into English	100
*Euclid—First six books	200
*Algebra, including quadratic equations	200
Total	1250

6. Candidates possessing a competent knowledge of all these subjects will be selected for entry in the Dockyards according to the number of marks gained in the examination. Those who fail at the first examination will be allowed a second, if not over age.

7. Engineer Students will be employed in the Factories for a period of six years, with a view to their becoming Naval Engineers if, on examination at the end of that time, they are found to possess the necessary qualifications. In the course of the six years they will be employed in the fitting and erecting shops, and will attend in the drawing office, the foundries, the smitheries, and other shops, to acquire a general knowledge of the work done in them. They will also attend at the Dockyard School two afternoons and two evenings in the week to pursue such studies as may from time to time be determined on. Means will also be afforded them of acquiring the groundwork of the knowledge required by a Naval Engineer, respecting the working of marine engines and boilers, the practical use of the various instruments used in the engine room, including the indicator, and of becoming generally acquainted with the duties of a Naval Engineer.

8. Engineer Students will be examined twice a year by the Inspector of Schools, and the marks obtained for these examinations will cumulate up to the final one for entry as

* By Regulations of 10th of May, 1864, it is laid down that applications must be addressed to the Superintendents of the Dockyards before the 1st of May, or 1st of November, in each year. Candidates must not be less than fifteen, nor more than sixteen years of age on the first day of the Examination. The Examinations will commence on the first Tuesdays in June and December.

Assistant Engineer. The final examination will embrace the subjects mentioned in paragraph 5 ..... 1250 marks.

*Plane Trigonometry	150	,,
*Hydrostatics	100	,,
*Mechanics	200	,,
Dynamics	100	,,
Elementary Chemistry	100	,,
*Properties of Steam	100	,,
*General good Conduct and Industry	300	,,
Total	2300	

Engineer Students must gain 1000 marks before they obtain a certificate of qualification. These numbers must include at least half of the numbers allotted to the subjects marked with an *. The certificates will be of two classes. To obtain a first class certificate a Student must gain 1800 marks, which must comprise three-fourths of the numbers in the subjects marked. A first class certificate will be regarded, in respect of promotion, as equal to one year's sea service. The Chief Engineer and Inspector of Machinery will also examine the Engineer Students twice a year as to their progress in practical studies, and no Engineer Student will be entered in the Navy until the Chief Engineer certifies that by his skill as a workman, his knowledge of steam machinery, and his good and steady conduct, he is fully qualified for the appointment of Assistant Engineer.

9. Engineer Students who may fail to attain the required standard *for the scholastic examination* at the end of six years, will be allowed to present themselves a second time, at the next half-yearly examination of the Inspector of Schools; if they fail to obtain their certificates at the second examination, they will cease to be eligible for the Naval Service.

10. The weekly pay of Engineer Students will be 8s. during the first year of their training, and if they are reported deserving by the Chief Engineer and Inspector of Machinery, it will be increased 2s. a week each year until the sixth, and then increased 8s., making their wages 24s. a week for the last year.

11. Engineer Boys at present in the factories (in future to be designated Engineer Students,) will be placed as nearly as circumstances will admit, on the same footing as the Engineer Students who may hereafter be entered; they will be required to give the same attendance in the school as other Engineer Students, and their five years' training will be lengthened to make up for the time they may spend in school during working hours; those who, at the expiration of their time, have not acquired sufficient skill as workmen to qualify them for examination for Assistant Engineers, will be allowed to remain until they are so qualified, but in no case will they be retained after reaching the age of 21. They will have to undergo the same periodical examinations before the Inspector of Schools and the Chief Engineer and Inspector of Machinery as those who enter as Engineer Students.

12. Persons from the private trade who may be desirous of entering the Navy as Assistant Engineers must be at least 21 years of age, and must apply, as at present, to the Secretary of the Admiralty, furnishing information as to where they have been brought up, and certificates of character and efficiency; orders will then be given for such as may be thought fit, to be examined, as at present, by the Dockyard Officers, who are to take whatever further means may be necessary to satisfy themselves fully as to the candidates possessing the requisite practical qualifications. The exigencies of the Service will determine in some degree the nature of this examination. If the candidates pass they will be entered on probation for twelve months, and placed on the books of the ships of the Steam Reserve. They will have to attend the Dockyard School whenever their services can be spared, they will also be afforded opportunities of improving their mechanical knowledge, and if on the spot, they, as well as any other Engineers, will be allowed to present themselves for examination before the Inspector of Schools at any of his half-yearly visitations at the Dockyards. The examination will embrace the same subjects as the final one for Engineer Students; those who pass it will receive a certificate either of the first or second class; a first class certificate will be regarded, in respect of promotion, as equal to one year's sea service. Those who obtain either a first or a second class certificate will not be required to pass another examination, except on engineering subjects, to qualify them for promotion to any of the higher grades. Those who cannot get a certificate from the Inspector of Schools will not be eligible for promotion to Chief Engineers, unless under special circumstances the Admiralty should grant them a dispensing order, but they may rise to the rank of Engineers, provided they can pass the professional examinations.

13. Although it is not essentially required of the Engineer Officers, whether brought up in the Dockyard Factories or not, who obtain second class certificates, to present themselves again at any of the half-yearly examinations, it will be open to them to do so, and if they can obtain a first class certificate it will be regarded, in respect of promotion, as equal to one year's service at sea in the grade they may have attained at the time of passing the examination. A Chief Engineer's qualification for a First or Second Rate, as well as his eligibility for filling superior situations, will be in some measure determined by the class of certificate he may have obtained.

14. These Regulations will apply to Engineers now in the Navy, and to those who may become Engineers, whether brought up in the Dockyard Factories or not.

15. The Inspector of Dockyard Schools, and the Chief Engineers and Inspectors of Machinery, will make to the Admiralty annual reports of the progress and conduct of the Engineer Students and Engineers attending the Schools.

PRACTICAL QUALIFICATIONS OF ENGINEER OFFICERS, PASSING AND PROMOTION AT HOME AND ABROAD.

A Candidate for the appointment of Second-Class Assistant-Engineer must produce certificates of servitude in a factory, or proof of his acquaintance with engine work, and of his practical abilities as a mechanic, as well as testimonials of good conduct and character; he must possess all the qualifications requisite to enable him, after a short experience in the working of marine engines, to execute efficiently the duty of Second-Class Assistant-Engineer of any of Her Majesty's Ships; he must be able to keep accounts, and make rough working sketches of engines and boilers; he must understand the general principle of the engine, and be acquainted with the names of the various parts and their uses; and be willing to exert himself as a mechanic and workman in the several contingencies that may arise in the engine-room.

A Second-Class Assistant-Engineer who has served as such in one or more of Her Majesty's Ships, on full pay, for three complete years, may be examined as to his qualifications for the appointment of First-Class Assistant-Engineer, by order of the Commander-in-Chief, or senior Officer present,—if at home, by the Chief Engineer and Inspector of Machinery of one of Her Majesty's Dockyards, and the Inspector of Machinery Afloat, in the presence of the Superintendent, or of such other Officer as may be nominated for the purpose,—and if abroad, by an Inspector of Machinery afloat, and two Chief Engineers, in the presence of a Captain or Commander. The Candidate must possess all the qualifications required of a Second-Class Assistant-Engineer, by fully competent to perform the various duties of a First-Class Assistant-Engineer, and to take charge of a watch in the engine-room, when the steam is up at sea.

An Officer must serve for two complete years, on full pay, as First-Class Assistant-Engineer, in one or more of H.M. Ships, before he is eligible for promotion to Engineer, when he may be examined under regulations similar to those laid down for promotion to First-Class Assistant-Engineer. He must possess all the qualifications required of a First-Class Assistant-Engineer, be fully competent to perform the various duties of an Engineer, well acquainted with the principle upon which marine engines work in all their parts, able to adjust all the various working parts, and set right defects which may arise in the engines and boilers, and in every way competent to take charge of the engines in the absence of the Chief Engineer.

When a First-Class Assistant-Engineer who possesses a certificate from the Inspector of Schools presents himself for examination for promotion to Engineer, he may also pass an examination in engineering knowledge which will qualify him for Chief Engineer.

An Officer must serve for three complete years, on full pay, as Engineer in one or more of Her Majesty's Ships before he is eligible for promotion to Chief Engineer, when he may be examined touching his fitness for that rank, by the Chief Engineer and Inspector of Machinery of one of Her Majesty's Dockyards, and the Inspector of Machinery afloat, in the presence of the Superintendent, or of such other Officer as may be nominated for that purpose: but he cannot receive a commission as Chief Engineer until he has a certificate from the Inspector of Schools or has been granted a dispensing order from the Admiralty. He must possess all the qualifications requisite to enable him to execute efficiently the duty of Chief Engineer of any one of Her Majesty's Ships; he must be able to make notes in the register of every particular of the working of the engines and boilers, draw rough sketches of any part of the machinery, with figured dimensions, fit to work from; be able and willing to exert himself practically as a mechanic and workman when

occasion requires, either in driving the engines, or packing, repairing, or adjusting the working parts of the machinery, or making good the defects of boilers; he must possess a thorough knowledge of the construction and working of marine engines and boilers in all their parts, and be so far acquainted with the elements of theoretical mechanics as to comprehend the general principles on which the machine works; he must understand how to apply the Indicator, and draw the proper conclusions from the diagrams; and he must be acquainted with the principles of expansion, and able to prove, or at least to illustrate, the advantages to be derived from the use of expansive gear.

An Engineer, or a First or Second Class Assistant-Engineer, who may be serving abroad, where the requisite number of proper examining Officers cannot be obtained, may be provisionally examined, under the directions of the senior Officer present, by an Inspector of Machinery Afloat, or by one, two, or three Chief Engineers, according as such Officers may be on the spot, in the presence of a Captain or Commander, or of the Officer commanding the ship in which the candidate may at the time be borne; and no Engineer Officer is to be considered eligible for advancement to a rank or class for which he has not passed at least a provisional examination; neither will he be eligible for confirmation in any rank which he may have attained after passing provisionally, until he shall have passed the established examination before proper Officers, in accordance with the foregoing instructions.

Engineer Officers of ships about to leave England for service abroad, may present themselves for examination for promotion to superior ranks, twelve months before completing the respective periods of service specified above.

A certain number of Engineers who may be considered fit and deserving, may, at their own request, be selected, from time to time, by the Admiralty, as "Engineers for special charge." As a general rule, they will not be appointed to ships bearing Chief Engineers; but they are not, after being so selected, to be considered eligible for promotion to the rank of Chief Engineer.

"Whereas having had under consideration the inadequacy of the means at present at our disposal of employing Officers who are fit and desirous to serve your Majesty, as well as our inability to extend sufficient reward by promotion or otherwise to many Officers who have served long and faithfully; and being further of opinion that additional encouragement is required to induce Officers to serve with willingness and zeal while in health and vigour, we would humbly submit to your Majesty that we be empowered in future to award an honourable retirement to Officers who shall have attained an age which renders it unlikely that they will be long fit for further Active Service; and also, as an additional Reward for past Service and as an inducement to Officers on the Active List to seek future Service, we would further suggest that the Half Pay of Lieutenants should hereafter be proportionate to, and made dependent upon, their Length of Service.

At the Court at Windsor,

the 9th day of July, 1864.

(Present, the Queen's Most Excellent Majesty in Council.)

WHEREAS there was this day read at the Board a Memorial from the Right Honourable the Lords Commissioners of the Admiralty, dated the 29th of June, 1864, in the words following, viz.:—

"Whereas your Majesty by an Order in Council, dated the 1st of August, 1860, was graciously pleased to authorize us to carry into effect certain changes in the Half-pay and Retirement of Officers of your Majesty's Navy; and whereas we are humbly of opinion that it would greatly tend to the advantage of the Naval Service if certain further alterations and amendments, as hereinafter introduced, were to be made in the scheme approved of in your Majesty's said Order in Council; we would humbly submit the following propositions for your Majesty's gracious approval.

"First, as relates to Captains.

"1. That the Active List of Captains shall be reduced from 350 to 300.

"2. That the existing system of placing on a Retired List all Captains who may from time to time attain the age of sixty without having served in their present rank, shall be extended to Captains who may attain the age of sixty and have served a portion of but not the full sea time required to qualify them for promotion to the Active List of Flag Officers. Such Officers to receive Retired Pay as follows:

"If on the 10*s.* 6*d.* Half-pay List when retired	18*s.* per diem.
If on the 12*s.* 6*d.* " " "	20*s.* "
If on the 14*s.* 6*d.* " " "	

Such Officers to assume the rank and title of Rear-Admiral at the time they would have obtained their Flag by seniority had they remained on the Active List, and then to receive Retired Pay at the rate of 25*s.* per diem, subject, however, to the proviso contained in Paragraph 8.

"3. That the above system of retirement shall be extended to Captains who may have attained the age of fifty-five, provided they be willing and desirous to accept the same, subject to the proviso contained in Paragraph 8.

"When the Active List of Captains shall have been reduced to 300, no Captain shall be eligible for retirement under this Clause who has not been five years on that List.

"4. That Captains who shall be found physically unfit for service may, at our discretion, be allowed to retire, irrespective of age, at the several rates of 18*s.* or 20*s.* a-day, according to their standing on the List, provided they shall have served at sea in the ranks of Lieutenant, Commander, or Captain, a combined period of 15 years; and if less than that period of service, at the rate of 16*s.* a-day. Such Officers to be allowed to rise in rank and pay with other Captains of their standing, subject to the proviso contained in Paragraph 8.

"5. That we may be empowered, at our discretion, to allow a limited number of Captains who may have attained the age of fifty, and who are not desirous of further employment, to retire on the foregoing conditions, and subject to the same proviso. When the Active List of Captains shall have been reduced to 300, no further retirement of Officers shall take place under this clause.

"6. That Captains who may arrive at their turn for promotion to the Flag List, without having served the time required to qualify them for their Active Flags, shall be placed on the List of Reserved Rear-Admirals.

"These Officers, and also such Officers as may, under the provisions of the Order in Council of 1st August, 1860, have been already promoted to the Reserved Flag List, to be allowed pay at the rate of 25*s.* a-day; subject, however, to the proviso contained in Paragraph 8.

"7. That the increased rate of 25*s.* per diem Half-pay shall be extended to Officers who, under the provisions of the

Order in Council of 1st August, 1860, have already attained or may hereafter attain the rank of Rear-Admiral on the Retired List, subject to the same proviso. All Officers who are either now, or who may be in future, retired under the provisions of the Order in Council of 1st August, 1860, to be allowed to rise to the higher grades on the Retired Flag List, according to the seniorities which they respectively held or the List of Captains, but without receiving any further increase of retired pay or emolument.

"8. That no Officer who was not on the Active List of Captains previously to the 1st of August, 1860, shall be allowed more than the pay of 20*s.* a-day on attaining the rank of Rear-Admiral, unless he shall have completed one year's service at sea in the rank of Captain.

"Second, as relates to Commanders.

"9. That the Active List of Commanders be reduced from 450 to 400.

"10. That the existing system of placing on the Retired List, under the conditions specified in the Order in Council of 1st August, 1860, all Commanders who have not served within a period of fifteen years either Afloat or in command of Revenue Vessels or in the Coastguard, or as Mail Agent, or Transport Officer, shall be extended to Commanders who have not been so employed during a period of ten years; such Officers, and Officers of Greenwich Hospital of similar rank, to be permitted to assume the rank and title of Retired Captain on reaching the age of 60 or on attaining 15 years' seniority on the List of Commanders, and to receive on their retirement pay on the scale provided for in the said Order in Council, with this difference only, that Officers who shall in future retire shall reckon their service in the Coast Guard on shore or Transport Service on shore as half the same period served at sea, instead of one-third, as at present.

"11. That the same plan of retirement, with its corresponding benefits of rank and Retired Pay, shall be extended to Commanders who may have attained the age of 55, provided they be willing and desirous to accept the same.

"12. We would further propose that we be empowered, at our discretion, to allow a limited number of Commanders, who may have attained the age of 45, and who are not desirous of further employment, to retire on the foregoing conditions. When the Active List of Commanders shall have been reduced to 400, no further retirement of Officers shall take place under this clause.

"13. That Commanders who have already been removed from the Active to the Retired List of that rank, under the provisions of the Order in Council of 1st August, 1860, shall, as well as those who may hereafter so retire, be allowed to assume the rank of Retired Captain on attaining 15 years' seniority, but without any increase of Half-pay or Widow's Pension, beyond that authorized by the said Order in Council.

"Third, as relates to Lieutenants.

"14. That the Active List of Lieutenants shall not exceed 1,000, instead of 1,200, the number at which it is at present fixed.

"15. That Lieutenants who have completed 15 years' sea service in that rank, and who have attained the age of 45, shall be allowed to retire with the rank of Retired Commander. Such Officers to receive Retired Pay and their Widows to be allowed Pensions on the scale provided for in the Order in Council of 1st August, 1860, with this difference only, that such Officers who shall in future retire shall reckon their service in the Coast Guard on shore or Transport Service on shore, as half the same period served at sea, instead of one-third, as at present.

"16. That Lieutenants who are either now on the Reserved or Retired List, or who may be in future retired under the provisions of the Order in Council of 1st August, 1860, and Lieutenants of Greenwich Hospital, shall be allowed to assume the rank of Retired Commander on attaining 15 years' seniority, but without any increase of Half-pay or Widow's Pension, beyond that authorised by the Orders in Council under which they were respectively retired.

"17. Lastly, it was provided by Your Majesty's Order in Council of 1st August, 1860, that Commanders and Lieutenants should in future, on being retired from the Active List, be awarded Retired Half-pay, graduated according to length of service; and whereas it has been represented to us that, although this system has, generally speaking, tended greatly to the advantage of these classes of Officers, there have been, and may be hereafter cases in which Officers so retired might receive a less amount of pay than that which they would have enjoyed had their position not been disturbed by the provisions of the said Order in Council; in order, therefore, to prevent such Officers from becoming sufferers by a retrospective regulation, we would humbly submit to Your Majesty, that on their rising to a position which, had they continued on the Active List, would have entitled them to any higher rate of Half-pay, they should be exempted from the provisions of the Order in Council of 1st August, 1860, and awarded the same amount of Retired Pay as if their position had not been disturbed by those provisions.

"Should Your Majesty be graciously pleased to sanction these our suggestions, we would humbly submit that Your Majesty will authorize us to carry into operation the several arrangements and changes herein contemplated, from the 1st of July, 1864."

Her Majesty having taken the said Memorial into consideration, was pleased, by and with the advice of Her Privy Council, to approve of what is therein proposed, and the Right Honourable the Lords Commissioners of the Admiralty are to give the necessary directions herein accordingly.

(Signed) EDMUND HARRISON.

Admiralty, 2nd April, 1866.

Her Majesty, by Her Order in Council of the 24th March, 1866, having been graciously pleased to sanction the following alterations and amendments in the present system of promotion and retirement in the Royal Navy, as provided by Her Majesty's Orders in Council of 1st August, 1860, and 9th July, 1864, the Lords Commissioners of the Admiralty hereby give notice of the mode in which such arrangements will be carried into effect:

1. Compulsory retirement to be extended to all the Executive Lists.

2. Admirals to be retired on attaining 70 years of age, or when physically unfit for service.

3. Vice-Admirals to be retired on attaining 68 years of age, or when physically unfit for service.

4. Rear-Admirals to be retired on attaining 65 years of age, or when physically unfit for service.

5. Flag Officers, at present on the Active List, who may be retired under these Regulations, will retain all the privileges of rising in rank and pay to which they are now entitled; but no Flag Officer who has not hoisted his flag will be considered eligible for the appointments of Vice and Rear-Admirals of the United Kingdom, or for promotion to the rank of Admiral of the Fleet.

6. The Active Flag List to be reduced to 85:—

Admirals of the Fleet and Admirals . . .	21
(But not to be more than three Admirals of the Fleet at one time.)	
Vice-Admirals	22
Rear-Admirals	42
Total	85

This reduction to be made gradually, by only filling up two out of every three vacancies caused by the removal of Flag Officers who accept Greenwich Pensions, and by retirements from age, whether optional or compulsory. Vacancies from all other causes to be filled up as they occur. Vacancies on the List of Flag Officers on Reserved Half-pay in receipt of Service Pensions, and on the List of Flag Officers of Greenwich Hospital, will not be filled up.

7. Flag Officers, at present on the Active List, who have hoisted their Flags, or been employed at the Admiralty, since their promotion to Flag Rank, are to be allowed to retain their places on the Active List if they should prefer it, but they may be placed on the Retired List at their own request, with the consent of the Admiralty. Officers coming on the Flag List after this date will be subject to compulsory retirement at the ages specified above, whether they have served or not.

8. Captains to be retired on attaining sixty years of age, or when physically unfit for service, on the terms of the Order in Council of the 9th of July, 1864. Those at present on the Active List who, before attaining the age of sixty, shall have served the necessary time to qualify them for promotion to the Active Flag List, are to be allowed to retain their places on the Active List, if they should prefer it; but no Captain will be eligible for promotion to the Active Flag List after sixty years of age, or if physically unfit for service.

9. Officers promoted to the rank of Captain after the date authorised by Her Majesty's Order in Council, to be subjected to compulsory retirement on attaining the age of sixty, whether they have served or not.

10. Captains of sixty years of age, who have served the

necessary time to qualify them for promotion to the Active Flag List, and who remain on the Captains' List until promoted to Rear-Admiral, to be placed on the Retired List, but will be allowed to rise by seniority to the rank and pay of Vice-Admiral and Admiral respectively. Captains who have served their time, but who retire voluntarily before reaching the top of the List, will not be entitled to rise to higher pay as Flag Officers than twenty-five shillings a day, in accordance with the Order in Council of 9th July, 1864.

11. Captains who have not served their time for Active Flag Rank, and who have been unemployed for ten years, to be retired on the terms of the Order in Council of 9th July 1864.

12. Captains to be allowed to retire on attaining fifty years of age, with the consent of the Admiralty, on the terms of the Order in Council of 9th July, 1864.

13. The Captains' List to be reduced gradually to 250, by filling up only two out of every three vacancies caused by age-retirements from that list, whether optional or compulsory. Vacancies from all other causes are to be filled up as they occur.

14. Commanders to be retired at the age of 55, or when physically unfit for service, and to be allowed to retire at 50, with the consent of the Admiralty, on the terms of the Order in Council of 9th July, 1864.

15. Lieutenants to be retired at 55, or when physically unfit for service, and to be allowed to retire at 45, with the consent of the Admiralty, on the terms of the Order in Council of 9th July, 1864.

16. Time served by Naval officers in future retiring from Civil employments connected with the Navy, which does not entitle them to Civil superannuation, to be allowed to reckon towards increase of half or retired pay, in the proportion of one year for every two served in that capacity. In the case of Captains, twelve years served in such Civil capacity will entitle an officer to rise to the higher rates of retired pay of Vice-Admiral and Admiral respectively.

REGULATIONS RELATING TO PENSIONS TO WIDOWS, AND COMPASSIONATE ALLOWANCES TO CHILDREN.

1. Widows of Commission and Warrant Officers of the Royal Navy, and of Commissior. Officers of Royal Marines, may be allowed Pensions, and their Children Compassionate Allowances, at the rates specified in the table in the Appendix, and subject to the following regulations:

2. The Pensions authorized by these Regulations cannot be claimed as a *Right*:—they are granted as rewards for good and faithful service rendered by deceased Officers;—they will only be conferred on persons deserving the Public Bounty;—they will not be granted to Widows left in wealthy circumstances, and are liable to be discontinued altogether, in case of any misconduct rendering the individuals receiving them unworthy of the Public Bounty.

3. The Pensions of all Widows shall commence from the day following that in which their Husbands died, provided application be made by the Widow within Twelve Months from the same, otherwise from the time only of such application.

4. All applications for Pensions, and for Compassionate Allowances, must be addressed to the Secretary of the Admiralty for the decision of the Board.

5. If the claim of a Widow to Pension shall not be established *before her death*, the amount of Pension to which she would have been entitled to if living, shall not be allowed to her representatives.

6. A Widow shall not be eligible to be placed on the Pension List under any of the following circumstances:—

i. If her husband, being a Commission Officer, married after the age of Sixty Years,—or, being a Chief Gunner, Chief Boatswain, Chief Carpenter, or a Warrant Officer, after the age of Fifty Years.

ii. If her husband, being capable of service, had, at his own solicitation, been excused from serving, when called upon: provided he was officially warned that his Widow would thereby forfeit the Pension.

iii. If her husband had been guilty of any fraudulent misapplication of the public money, discovered and proved in the final settlement of his accounts.

iv. If her husband had been guilty of Bigamy; or if she had been living at the time of her husband's death in a disreputable state of separation.

v. If her husband died in the service of a Foreign State, unless serving with the permission of the Admiralty.

vi. If she had not been married Twelve Months to the Officer by whose right she claims the Pension, unless the said Officer was killed or drowned in the Sea Service; but the Admiralty may grant the Pension in cases of Officers dying before the expiration of Twelve Months from the time of their marriage, in such cases as they think proper.

vii. If she shall receive any other Pension, Provision, or Allowance from the Government on account of her husband's services in a Naval or Military capacity.

viii. If she shall be left in wealthy circumstances.

7. The Widows of Commission Officers (except Chaplains) who shall have married after the 31st of December, 1830, are only entitled to the Pensions of their respective classes, in the event of their Husbands having been on the List of Commission Officers, or on the List of Naval Instructors, ten complete years, except the Husband be killed in action, or lose his life in the execution of the Service. If, however, the Officer died from the effects of foreign service, then, provided he had been five years on the List,—was in good health when he married,—and it be clearly shewn that the disease which occasioned his death resulted from such service alone, did not arise from constitutional predisposition, and was not brought on by any misconduct, or by any circumstances over which the Officer himself had control.

The Widows of Chief Gunners, Chief Boatswains, Chief Carpenters, are only entitled to Pensions in the event of their Husbands having been confirmed in the rank one year; and the Widows of Warrant Officers (Gunners, Boatswains, and Carpenters) are only entitled to Pensions in the event of their Husbands having been warranted for a period of one year (acting time included) and provided they shall have been confirmed in the rank of Warrant Officer.

8. No Widow shall receive a Pension as a Chaplain's Widow, unless her Husband shall have been in Priest's Orders, nor unless his name was on the List at the time of his death, nor unless she shall have been married during, or prior to, her Husband's Service in the Navy, and unless her Husband shall have served One Year on Full-Pay subsequent to their marriage, and shall have served the length of time to entitle him to Half-Pay;* but by Order in Council of the 1st November, 1864, the Widows of Chaplains dying after that date, who shall have completed Ten Years' Service on Full Pay, may be granted Pensions, although no portion of such service be subsequent to their marriage, provided they are otherwise qualified, according to the existing regulations governing the grant of Pensions.

9. The Pensions of Widows who shall have re-married prior to the 31st of December, 1830, shall be paid to them-

* See Circular No. 47, 1 December, 1864.

selves, and their receipts shall, notwithstanding their coverture, be deemed a sufficient discharge for the payment of their Pensions.

10. In all cases of a Widow re-marrying, on or after the 6th August, 1861, her Pension shall be suspended from the date of her re-marriage; but in the event of her again becoming a Widow, her Pension may be restored, upon proof being adduced to the Admiralty that she is not in wealthy circumstances, and is otherwise deserving the Public Bounty, but it will be again liable to suspension during future re-marriage. Widows who are re-married before the date of these Instructions, and thereby forfeited their Pensions, will not have the same restored to them in the event of their again becoming Widows.

11. Every Officer, whether on Full or Half-Pay, shall—in order to facilitate the decision upon the claim of his Family after his decease, to the benefit of these regulations—notify his marriage *within six months* of its taking place, to the Admiralty, according to the Form in the Appendix.

12. With respect to marriages contracted in Scotland none will be admitted, for the purposes of these Regulations which cannot be proved either by an extract of the Register of the Kirk Session, or other legal record of the place in which the marriage shall have been celebrated,—or by an acknowledgment of a Marriage to be transmitted to the Admiralty, made and subscribed by the parties themselves *in Scotland*, in presence of a Magistrate, according to the Form in the Appendix.

13. *Mothers.*—When an Officer is killed in action, and leaves no Widow nor legitimate child, but leaves a Mother who is a Widow in distressed circumstances, and who was dependent upon him, the mother shall receive a Pension equal to the ordinary rate of Widow's Pension attached to the rank which her Son held at the time of his death; but if such Mother shall herself be in the receipt of a Pension as an Officer's Widow, or shall have any other provision of any kind from the public, in that case no Allowance will be made to her on account of her Son, unless she gives up the other Pension or Allowance, and the Pension given to a Mother on account of her Son will be forfeited on re-marriage, and will not be restored in the event of her again becoming a Widow.

14. *Sisters.*—Sisters of Officers are not eligible to any Allowance, unless under very special and extraordinary circumstances, to be judged of by the Lords of Her Majesty's Treasury. The Allowance will not exceed that which would be given to a Mother, and will not be given in any case unless the Officer shall have fallen in action, or shall die of wounds received in action, within six months after being wounded, and shall have left no Widow, legitimate Child, nor Mother, nor unless the Sister shall be an Orphan, having no surviving Brother, and shall have been dependent for support upon the Officer killed. Every Pension so granted, will cease when the person receiving it shall marry, or be in any other manner sufficiently provided for.

15. *Children of Officers.*—Allowances on the Compassionate List to the legitimate Children of deceased Officers, may be given in those cases in which the Widow of the Officer would be entitled to be placed on the Pension List; provided it be shown that the Children have no other Allowance, Pension, or Provision from the Government; and that their pecuniary circumstances, and those of their family, are so limited, that they actually require assistance from the Compassionate Fund.

16. The claims of the Children will be considered according to the length, nature, and merit of the services performed by the Father; and as far as the decision upon claims can be governed by Regulation, in the following order, viz.:—

PRIZE MONEY.

BY THE QUEEN.

A PROCLAMATION.

VICTORIA R.

WHEREAS by Our Order in Council of this Day's Date We were graciously pleased to annul, from and after the Thirtieth Day of September next, Our Royal Proclamation of the Twenty-ninth Day of June One thousand eight hundred and sixty-five, regulating, according to the Scheme set forth therein or recognized thereby, the Distribution of the net Proceeds of Prizes captured from the Enemy, of Captures and Seizures under the several Acts of Parliament passed relating to the Revenues of Customs, and to Trade and Navigation, for the Abolition of the Slave Trade, for the Capture and Destruction of Pirates and Piratical Vessels, and of the Rewards conferred for the same, as also of the Awards for all Salvage granted to the Crews of our Ships and Vessels of War, when not otherwise specially apportioned by the Terms of the respective Awards and Allowances, and in consequence of certain Alterations in the Apportionment and Classification of the Shares being desirable, it is expedient that Provision should be made for the future Distribution of such net Proceeds and Salvage not otherwise specially apportioned, and all other Monies whatsoever granted to be shared among the officers and crews of our ships and vessels in the Manner of Prize Money.

We do, therefore, now make known to all our loving Subjects, and to all others whom it may concern, by this Our Proclamation, by and with the advice and consent of Our Privy Council, that Our Royal Will and Pleasure is, and We do hereby direct, That Ships or Vessels being in sight of a prize, as also of the captor, under circumstances to cause intimidation to the prize and encouragement to the captor, shall be alone entitled to share as joint captors, and that the distribution of all such net proceeds of prizes, rewards, allowances, salvage awards, and of all bounties and grants whatsoever distributable to our Royal Navy in the manner of prize money, shall be made as follows; viz.—

That the flag officer or officers shall have one thirtieth part of the whole net proceeds arising from prizes captured from the enemy, and from all other captures and seizures, &c., as aforesaid, made by any of the ships or vessels under his or their command, and of the rewards conferred for the same, according to the following conditions and modifications, save and except as hereinafter provided and directed; that is to say,

When there is but one flag officer he shall have the entire one thirtieth part; when two flag officers shall be sharing together, the chief shall have two-thirds, and the other flag officer shall have the remaining one-third of the one thirtieth part; and when there shall be more than two flag officers, the chief shall have one-half of the said one-thirtieth part, and the remaining half shall be equally divided among the junior flag officers; commodores of the first class and captains of the fleet to share as flag officers; Provided always, That no flag officer, unless actually on board any of Our ships or vessels of war, and at the actual taking, sinking, burning, or otherwise destroying any ship or ships of war, privateer or privateers belonging to the enemy, shall share in the distribution of any head money or bounty money granted as a reward for the taking, sinking, burning, or otherwise destroying any such ship or vessel of the enemy.

That no flag officer, unless actually present at the capture or destruction of any pirates or piratical ship, vessel, or boat, shall share in any distribution of the proceeds or bounty in respect of such pirates, or of the crews of such piratical ship, vessel, or boat.

That no flag officer shall share in any remuneration or reward conferred or awarded to the crew of any of Our ships or vessels as salvage, unless he shall have been actually on board the ship or vessel to which the award shall be made, or have personally aided and assisted in the transaction at the time the service was rendered.

That no flag officer commanding in any port in the United Kingdom shall share in the proceeds of any prize captured from the enemy, or in other captures, seizures, rewards, or any distributive proceeds as aforesaid, made by any ships or vessels which shall sail from or leave such port by order of the Lord High Admiral, or of our Commissioners for executing the Office of Lord High Admiral.

That when ships or vessels under the command of several flag officers belonging to separate stations shall be joint captors, &c., each flag officer shall receive a proportion of the one-thirtieth part, according to the number of officers and men present under the command of each such flag officer; and when ships or vessels under orders from the Lord High Admiral, or from Our Commissioners for executing the Office of Lord High Admiral, are joint captors, &c., with other ships or vessels under a flag or flags, the like regulations as to the apportionment of the flag share to the flag officer or officers are to be observed.

With reference to flag officers it is to be noted,—

That when an inferior flag officer is sent to reinforce a superior officer on any station, the superior flag officer shall not share in any prize taken by the inferior flag officer before he has arrived within the limits of that station, unless the inferior officer shall have received some order directly from, and shall be acting in execution of some order issued by such superior flag officer.

No chief flag officer quitting any station, except upon some definite urgent service, and with the intention of returning to the station as soon as such service is performed, shall share in any prize taken by Our ships or vessels left behind after he has passed the limits of the station, or after he has surrendered the command to another flag officer appointed by the Admiralty to command in chief upon such station.

An inferior flag officer quitting any station (except when detached by orders from his commander-in-chief upon a special service, accompanied with orders to return to such station as soon as the service has been performed) shall have no share in prizes taken by the ships and vessels remaining on the station after he has passed the limits thereof.

In like manner flag officers remaining on such station shall not share in the prizes taken by such inferior officer, or by ships or vessels under his immediate command, after he has quitted the limits of the station, except he has been detached as aforesaid.

A commander-in-chief or other flag officer belonging to any station shall not share in any prize or prizes taken out of the limits of that station by any ship or vessel under the command of a flag officer of any other station, or under orders from our commissioners of the Admiralty, unless such commander-in-chief or flag officer is expressly authorised by Our said commissioners to take the command of that station in which the prize or prizes is or are taken, and shall actually have taken upon him such command.

Every commodore having a captain under him shall be esteemed a flag officer with respect to the thirtieth part of prizes taken, whether he be commanding-in-chief or serving under command.

The first captain to the admiral and commander-in-chief of Our fleet, and also the first captain to any flag officer appointed to command a fleet of ten ships of the line or upwards, shall be deemed to be a flag officer for the purpose of sharing in prize, and shall be entitled to share therein as the junior flag officer of such fleet.

Any officer on board any of Our ships of war at the time of capturing any prize or prizes who shall have more commissions than one shall be entitled only to share in such prize or prizes according to the share allotted to him by the above-mentioned distribution in respect to his superior commission or office.

And with reference to these regulations it is to be noted, that a captain, commander, or other commanding officer of a ship or vessel shall be deemed to be under the command of a flag when he shall actually have received some order from, or be acting in the execution of some order issued by a flag officer, whether he be or be not within the limits of the station of such flag officer; and in the event of his being directed to join a flag officer on any station he shall be deemed to be under the command of such flag officer from the time when he arrives within the limits of

the station, which circumstance is always to be carefully noted in the log-book; and it shall be considered that he continues under the flag officer of such station until he shall have received some order directly from, or be acting in the execution of some order issued by some other flag officer duly authorized, or by the Lord High Admiral, or Our Commissioners for executing the office of Lord High Admiral.

And We hereby direct, that the captain, commander, lieutenant commanding, staff commander commanding, master commanding, or any other officer duly commanding any ship, sloop, or vessel of war, singly making a capture or seizure, or otherwise entitled to the distributive benefit arising from any proceeds, reward, grant, bounty, salvage, or other award as aforesaid, that is to say, the officer actually in command at the time, shall have one-tenth of the remainder, or, if there is no flag, one-tenth of the entire net proceeds, except that if the single capturing ship be a rated ship having a commander under the captain the commander shall take a portion of the one-tenth part as if he were commander of a sloop according to the proportion hereinafter set forth; and if more than one commanding officer of the same rank of command shall be entitled to share as joint captors, &c., the one-tenth shall be equally divided between them; but when captains, commanders, lieutenants commanding, staff commanders commanding, and masters commanding, respectively, Our ships and vessels of war, and commanders under captains in rated ships, shall share together, in whatever variety of combination, the one-tenth shall be so divided into parts for a graduated apportionment as to provide for each captain receiving six parts, each commander of a sloop, or commander under the captain in a rated ship, three parts, and each lieutenant commanding, staff commander commanding, or master commanding, or other officer actually commanding, a small vessel of war, two parts, which We hereby direct shall be the proportion in which they shall respectively share; commodores of the second class, and field officers of marines or of land forces serving as marines, doing duty as field officers, above the rank of major, to share as captains; and field officers of marines or of land forces serving as marines, and doing duty in the rank of major, to share as commanders of sloops.

And We further direct, that after provision shall thus have been made for the flag share (if any), and for the portion of the commanding officer or officers and others as above specified, the remainder of the net proceeds shall be distributed in ten classes, so that each officer, man, and boy composing the rest of the complements of Our ships, sloops, and vessels of war, and actually on board at the time of any such capture, seizure, &c., as aforesaid; and every person present and assisting shall receive shares, or a share, according to his class, as set forth in the following scale:—

PROCEEDINGS IN VICE-ADMIRALTY COURTS ABROAD.

Her Majesty has been pleased, by Her Order in Council, of the 9th September, 1865, to establish the following Rules touching the practice to be observed in Vice-Admiralty Courts abroad in Proceedings instituted on behalf of Her Majesty's Ships; and the Lords Commissioners of the Admiralty desire to point out to Commanding Officers that the Accountant-General of the Navy will not, after the 1st January, 1866, pay costs incurred in such Courts, Her Majesty's Order in Council of the 22nd October, 1859, being now repealed:—

1. Whenever any proceeding has been instituted in any Vice-Admiralty Court within Her Majesty's dominions, by or on behalf of any of Her Majesty's Ships, for or in respect of any of the matters enumerated in the 12th Section of the Naval Agency and Distribution Act, 1864, the Proctor who shall have conducted such proceeding on behalf of Her Majesty's Ship shall, on the termination of the suit, submit his Bill of Costs for taxation, and the Court shall thereupon tax the same as between Proctor and Client.

2. If in any such proceeding any proceeds have been realized and are remaining in Court, the Court may order the amount at which the Bill of Costs has been taxed to be paid thereout, and the balance of the proceeds, if any, shall thereupon be paid to the Senior Commissariat Officer in the colony, to the end that the same may forthwith be remitted to this country.

3. If there are not any proceeds, or if the proceeds are insufficient to pay the costs, the Commanding Officer shall either by himself or through the Agent of the Ship make provision for the payment of any sum that may be due in respect of any such proceeding as may have been instituted in the Court.

4. The Registrar of the Vice-Admiralty Court shall, as soon as he has taxed the Bill of Costs, and whether the amount thereof has or has not been paid out of the proceeds, forward the same to the Registrar of the High Court of Admiralty of England, together with a Certificate, signed by himself, stating the amount of the proceeds, if any, the payments thereout, and the balance which has been paid to the Commissariat Officer.

5. The Agent for the Ship shall, when the proceeds and bounties have been paid to the Naval Prize Account, leave with the Registrar of the High Court of Admiralty of England his account for taxation, and may include therein any charges that may have been paid by the Commanding Officer or by himself, and the Registrar may direct the amount at which he shall have taxed the said account to be paid out of the proceeds and bounties standing in the Naval Prize Account to the credit of the Prize.

6. The Registrar of each Vice-Admiralty Court shall, within a month after the termination of each quarter, send to the Registrar of the High Court of Admiralty of England a Return, signed by himself, in the form marked No. 1 hereto, of all Prizes in respect of which any proceedings have been taken in such Vice-Admiralty Court during that quarter.

7. These Regulations shall come into operation on the 1st day of January, 1866.

At the Court at *Windsor*, the 5th day of *December*, 1865.

PRESENT,

The QUEEN'S Most Excellent Majesty in Council.

WHEREAS by the Naval Agency and Distribution Act, 1864, it is enacted (among other things) that the several shares of any money in the several cases in the said Act enumerated distributable among the officers and crew of any of Her Majesty's ships-of-war shall be paid to the persons entitled thereto, in such manner and subject and according to such restrictions, conditions, and provisions as might from time to time be directed by Order in Council:

And whereas it is by the said Act also enacted that Her Majesty in Council may from time to time make such orders as may seem meet for the better execution of the said Act:

Now, therefore, Her Majesty, by virtue of the powers in this behalf, by the said Act, or otherwise, in Her vested, is pleased, by and with the advice of Her Privy Council, to order, and it is hereby ordered, as follows:

Preliminary.

1. This Order shall commence from and immediately after the thirty-first day of December, one thousand eight hundred and sixty-five.

2. The Order in Council of the first day of November, one thousand eight hundred and sixty-four, under the said Act, is hereby repealed; but not so as to revive any regulation, practice, or other thing thereby abolished, or to affect the past operation of that Order, or the validity of anything done thereunder.

3. Terms used in this Order have the same respective meanings as in the said Act.

Payment of Prize Money into Bank, &c.

4. All money distributable among the officers and crew of any of Her Majesty's ships-of-war, within the meaning of the said Act (all which money is comprehended under the term "Prize Money" where hereafter used in this Order), shall be forthwith paid to the account of Her Majesty's Paymaster-General at the Bank of England, on account of Naval Prize, or into the hands of some official accountant (belonging to the Naval, Commissariat, or other department), in order that it may be transferred to the said account.

Gazette Notice.

5. Before any money distributable as aforesaid is actually distributed, notification shall be given by advertisement inserted in the 'London Gazette,' under the direction of the Admiralty.

Prize Remittances.

6. For the purposes of the provisions of this Order respecting Prize Remittances, the proper certifying authority shall be (in the several cases hereinafter mentioned) the following, namely:—

(1.) Where the payee resides in England, Wales, Scotland, the Isle of Man, or the Channel Islands, the minister and churchwardens or elders of the parish or district parish wherein the payee resides.

(2.) Where the payee resides in Ireland, the inspector or sub-inspector of constabulary for the county, and a churchwarden of the parish wherein the payee resides.

(3.) Where the payee resides at Sierra Leone, the Commissariat officer there.

(4.) Where the payee resides in any other British possession out of the United Kingdom, two of the principal merchants or tradespeople of the place of residence;

and the ministers, churchwardens, elders, inspectors, sub-inspectors, commissariat officer, merchants, and tradespeople aforesaid (when respectively the proper certifying authority), are hereby required to furnish, in the several cases in this Order provided for, such certificates as are requisite for the purposes of this Order, in case they respectively are satisfied of the truth of the matter required to be certified.

7. At a place where there is not any resident naval cashier, paymaster, or accountant, payment of a share of any prize money shall be made in the United Kingdom and at Sierra Leone on a remittance bill, and at other places out of the United Kingdom in such manner as the Admiralty from time to time direct.

8. Remittance bills shall be paid in the United Kingdom by any officer of the revenue, and at Sierra Leone by the commissariat officer, who respectively shall comply in all respects with the instructions of the Admiralty printed on the authority for payment addressed to the paying officer.

9. The amounts so paid shall be repaid to the respective departments in the same manner as at present, subject to such alterations as the Lords Commissioners of Her Majesty's Treasury and the Admiralty from time to time direct.

10. A remittance bill shall not be paid without a certificate from the proper certifying authority that the holder of the duplicate of the authority issued to the paying officer is the person named as payee in the duplicate.

11. Payment shall only be made to the payee personally, unless on any occasion the payee is unable from illness or bodily infirmity to appear personally, in which case payment on that occasion shall be made to the person producing—

(1.) The duplicate authority, together with the payee's order in writing, signed and witnessed, for payment to that person; and—

(2.) A certificate from the proper certifying authority of the payee's being unable from illness or bodily infirmity to appear personally; or—

(3.) A like certificate from the payee's legally qualified medical attendant;

provided the paying officer does not doubt the authenticity of the order or the truth of the certificate.

12. Payment shall not be made unless the paying officer is satisfied of the title of the claimant.

13. If on any application for payment the paying officer entertains any doubt as to the claimant's title to payment, he shall inquire into the matter, and may require from the claimant such statutory declaration or declarations of the claimant alone or with any other person or persons as the paying officer thinks requisite.

14. On paying a prize remittance bill, the paying officer shall take a receipt on the authority for payment addressed to him, and shall certify thereon (where so required) to his having satisfied himself of the title of the claimant.

15. Every certificate under this Order shall state the character in which each person certifying subscribes the same.

Assignments by Warrant Officers.

16. Any assignment made by a warrant officer of any prize money shall be void, unless it truly expresses the consideration money actually paid by the person in whose favour it is made to the person making it, and upon any such assignment there shall be paid so much money only as appears to have been actually paid as consideration for the same, with interest thereon, at five per centum per annum.

Prize Orders of Subordinate Officers, Seamen, and Marines.

17. In this Order the term "subordinate officer, seaman, or marine," includes every person belonging to Her Majesty's navy or being a supernumerary attached thereto, except commissioned and warrant officers, and assistant engineers of the second class.

18. The share of any subordinate officer, seaman, or marine, of any prize money, shall not be paid to any person other than such subordinate officer, seaman, or marine himself, or the person named in an order drawn by him as hereafter in this Order prescribed; but this restriction shall not apply to any money (being such a share or part thereof) remaining unpaid on the promotion of a subordinate officer to the rank of commissioned officer, or of a seaman to the rank of warrant officer.

19. Every such order shall be drawn on a printed form issued for the purpose by the Accountant General of the Navy.

20. Every such order shall be drawn in favour of some one or other of the following persons, by name:—

The drawer's wife;

" son or daughter,
" brother or sister,

the payee being so described in the order.

21. Every such order shall be signed by the drawer in the presence of the person or persons who is or are to certify according to the directions subjoined to the form of order.

22. Every such order shall be irrevocable during the life of the payee, unless in special circumstances the Admiralty think fit to allow of revocation.

23. Every such order shall be absolutely revoked by the death of the payee, so that no interest therein shall pass to the payee's personal representatives.

24. Nothing in this Order shall affect any order drawn by a subordinate officer, seaman, or marine, before the first day of January, one thousand eight hundred and sixty-five.

25. If at any time a person formerly licensed as an agent or his representative has a lawful claim against the share of any subordinate officer, seaman, or marine, of any prize money, in respect of advances made by such agent before the first day of January, one thousand eight hundred and sixty-five, the claim shall be duly discharged under the direction of the Admiralty, as nearly as may be as if the said Act had not been passed.

Unclaimed and Forfeited Shares.

26. If the share of any person of any prize money is not duly claimed within six years after it is payable to him, it shall be deemed unclaimed and shall be dealt with accordingly.

27. Notwithstanding that any such share has been forwarded or is unclaimed, the Admiralty may, if they see good cause, pay the same out of the naval prize cash balance.

Closing of Accounts.

28. All accounts relative to any prize-money (whether the same became distributable before or after the commencement of this Order) shall be deemed finally closed at the expiration of forty years from the date of distribution.

Persons of Unsound Mind.

29. Where it is made to appear to the satisfaction of the Admiralty that any person entitled to a share of any prize-money is of unsound mind (though not found lunatic by inquisition), the whole or any part of such share may be paid over under the direction of the Admiralty to the wife or relative or other person having the care and maintenance of such person, to be applied for his maintenance and benefit.

Repayment from Greenwich Hospital.

30. All sums from time to time certified by the Accountant-General of the Navy to have been paid to claimants and others proving themselves entitled to shares of any prize-money, which was, before the first day of June, one thousand eight hundred and twenty-nine, paid into Greenwich Hospital, shall from time to time be repaid under the direction of the Admiralty out of the property held for the benefit of Greenwich Hospital.

Annual Account.

31. An account showing all the receipts and expenditure on account of prize-money made up to the thirty-first day of March in each year, and signed by the Accountant-General of the Navy, shall be annually laid before the House of Commons.

And the Lords Commissioners of Her Majesty's Treasury and the Lords Commissioners of the Admiralty are to give the necessary directions herein as to them may respectively appertain.

CIRCULAR No. 25.—L.

Admiralty, 14th July, 1866.

(CAPTURE OF VESSELS ENGAGED IN SLAVE TRADE, &c.—EXPENSES INCURRED IN PROSECUTING.)

My Lords Commissioners of the Admiralty having had under their consideration the difficulty, which has been in some instances experienced by the Commanding Officers of Her Majesty's Ships, in meeting the legal expenses, necessarily attending the prosecution, before Courts of Vice-Admiralty and Mixed Commission, of Vessels captured by them on suspicion of being engaged in the Slave Trade or in Piracy, their Lordships are pleased to authorise the temporary application of Public Money, in payment of these expenses, under the following conditions:—In the event of the Commanding Officer of one of Her Majesty's Ships being unable to pay, from his own resources, the legal expenses of prosecuting a Ship or Vessel, captured under the circumstances stated above, he will be at liberty to demand from the Paymaster of his Ship an advance of Public Money for the purpose. The amount of such advance, which must not exceed 100*l.*, will be placed as a charge against the pay of such Commanding Officer.

It is desirable that the approval of the Commander-in-Chief, or Senior Officer on the Station, should be obtained, before such application of Public Money; but should the delay necessary to obtain such approval be in any case inconvenient, the advance may be made on the sole authority of the Commanding Officer of the Ship; the case being afterwards reported to the Commander-in-Chief or Senior Officer.

By Command of their Lordships,

W. G. ROMAINE.

By His Royal Highness the Prince of Wales, Regent of the United Kingdom of Great Britain and Ireland, in the Name and on the Behalf of His Majesty.

A PROCLAMATION.

GEORGE P.R.

WHEREAS by an Act passed in the Fifty-ninth Year of the Reign of His present Majesty, cap. 25, intituled, *An Act to enable His Majesty to fix a Rate and direct the Disposal of Freight-Money, for the Conveyance of Specie and Jewels on board His Majesty's Ships and Vessels*, it is enacted, That from and after the Eighth Day of *April*, One Thousand Eight Hundred and Nineteen, all Freight Money to be paid for the Conveyance on board any of the Ships and Vessels of His Majesty, his Heirs and Successors, of Gold, Silver, and Jewels, or of any other Article which may be by special Order received on board the said Ships and Vessels, and for which Freight shall be payable, shall be paid at such Rate, and distributed and applied for such Purposes, and divided to and amongst such Persons, in such Proportions, and after such Manner, as His Majesty, his Heirs and Successors, shall, from time to time think fit to order and direct by any Proclamation or Proclamations to be issued for that Purpose; and that no Freight-Money or Reward shall hereafter be demanded, paid, received, or detained by, to, or for the use or on account of any Person or Persons, for the Conveyance on board of any of the Ships and Vessels of His Majesty, his Heirs or Successors, of any Gold, Silver, or Jewels, or any other Article which may be by special order received on board the said Ship or Vessel, and for which Freight shall be payable, other than for the purposes, and by the Person or Persons, in the Proportion, at the Rates, and in the Manner so to be paid and allowed by Proclamation or Proclamations; and that all Bargains, Contracts, Covenants, and Agreements made or entered into for the Payment of any Freight-Money, for or in the Name or on the Account of Freight for the Conveyance of Gold, Silver, or Jewels, or other Articles as aforesaid, on board of any of His Majesty's Ships or Vessels, at any Rate, or for any other Purpose, or by or to any other Person or Persons, or in any other Manner or Proportions than as aforesaid, shall be and the same are hereby declared to be utterly void. We do therefore, in pursuance of the Powers so vested in His Majesty, his Heirs and Successors, by this Our Royal Proclamation, in the Name and on the Behalf of his Majesty, and by and with the Advice of His Majesty's Privy Council, think proper to order and direct, and we do hereby order and direct, That all Gold, Silver, and Jewels, or other Articles received as Treasure by special Order, conveyed in His Majesty's Ships and Vessels, in the Care and Charge of the Captain or Officer commanding such Ship or Vessel, shall be liable to the Payment of Freight, whether such Treasure belong to the Crown or to other Parties.

That on the Delivery of any Gold, Silver, or Jewels, or other Articles as aforesaid, laden on board of any of His Majesty's Ships or Vessels, for which Freight may or shall be payable as aforesaid, or according to the Provisions and Directions hereinafter contained, a Receipt or Bill of Lading, or Receipts or Bills of Lading, shall be made and signed by the Captain or Officer commanding such Ship or Vessel, describing the Quantity or Value of such Gold, Silver, Jewels, or other Articles as aforesaid, and the Terms on and Extent to which such Captain or Officer commanding such Ship or Vessel so receiving the said Gold, Silver, or Jewels, or other Articles, on board his said Ship or Vessel, shall be liable or responsible for the same, in case of Loss or Damage thereof to which by Law he might be liable, in Form or to the Effect following:

(*Here insert Bill of Lading in the usual Form.*)

And it is hereby stipulated and agreed between the said and the Shipper and Owners and Consignees of the said that in case of Loss or Damage happening to the said Gold, Silver, Jewels, or other Articles as aforesaid, the Captain or Officer commanding such Ship or Vessel as aforesaid shall not be holden liable or responsible for more than Three-fourths of the Amount of such Loss or Damage.

That the Rates at which Freight shall be paid for Public and for Private Treasure respectively, and in Peace or War respectively, and for different Voyages, shall be as follows, viz.

[*For Rates see Proclamation dated 23 April, 1831, page 323.*]

That in case of any Difference on any Question arising out of the above Scale, or omitted in the said Scale, the Lords Commissioners of the Admiralty shall have Authority to decide what the Freight shall be under the said Scale, or adhering as nearly as possible, in Cases not specified, to the Spirit and Principles of the said Scale.

That on the Shipment of Gold, Silver, or Jewels, or other Articles received on board as Treasure by special Order, the Rate of Freight, *per Cent.*, according to the above Scale, shall be endorsed on the Bill or Bills of Lading, or Receipt or Receipts of the Officer receiving the Charge thereof, such Endorsement or Endorsements to be signed by the said Officer; but in case of any Difference of Opinion Abroad, or when immediate Reference cannot be had to the Lords of the Admiralty, it may be expressed, "at such Rate as the Lords Commissioners of the Admiralty shall decide."

When Treasure belonging to the Crown shall be shipped in any of His Majesty's Ships or Vessels with a Commissary or Conductor specially charged with the Care thereof, the Officer commanding such Ship or Vessel shall not be required to give any Receipt, nor to sign any Bill of Lading, and such Officer shall not receive any Freight on account thereof, nor be liable to make good any Loss or Damage which may happen to the same.

That the Lords Commissioners of the Admiralty shall have Authority to direct at what Time, and for what Time, and within what Limits, the War Freights shall be payable on Private Treasure received by Special Order.

And We do hereby further order and direct, That the whole Amount of the said Freight, when received, shall be divided into Four Parts, and distributed as follows, subject to the Proviso hereinafter mentioned: One Fourth to the Admiral or Admirals, if more than one on the Station or in the Squadron to which the Ship receiving Treasure on board may belong; Two Fourths to the Captain or Officer commanding such Ship or Vessel, who shall give his Receipt or sign the Bill of Lading for the Treasure; and One Fourth to Greenwich Hospital, for the use of that Institution.

That when there shall be more than One Flag Officer on a Station, the said One Fourth Part shall be divided and distributed amongst the several Flag Officers on the Station, in the following Proportions, *viz.*

If there be but Two Flag Officers, the Chief shall have Two Third Parts of the said One Fourth, and the other shall have the remaining Third Part; but if the Number of Flag Officers be more than Two, the Chief shall have only One Half, and the other Half shall be equally divided amongst the Junior Flag Officers; but if there be no Flag Officer on the Station, or that the Ship or Vessel be not under the Orders of a Flag Officer, then that the Captain or Officer commanding the Ship or Vessel shall have Three Fourths, and Greenwich Hospital One Fourth.

Provided that such Admiral or Admirals shall not be entitled to claim his or their respective Share or Shares in such Freight Money, otherwise than on Condition that he or they shall, before the Gold, Silver, Jewels, Treasure, or other Articles as aforesaid, shall be put on board such Ship or Vessel, have respectively given Notice in Writing to the Captain or Officer commanding such Ship or Vessel, or his Agent, or have entered or caused to be entered in a Public Order Book on board the Ship of the Commander in Chief, or the Senior Flag Officer commanding on the Station or in the Squadron to which such Vessel belongs; or in case of a Junior Flag Officer absent from the Commander in Chief, unless such Junior Flag Officer shall have notified under his Hand to the Commander in Chief to be entered in the said Order Book

an Engagement in Writing in Form or to the Effect following:

I, *A. B.*, am desirous of partaking in the Advantages with the Risks attendant thereon, arising out of the Conveyance of Freight of Treasure in any of the Ships or Vessels in the Squadron, [*or, in the particular Ship, as the Case may be*]: And I hereby engage to make good to the Captain or Captains, Officer or Officers, commanding such Ships or Vessels respectively [*or*, Ship or Vessel, *as the Case may be*], such Part of any Loss or Damage for which he or they may be liable in respect to the Gold, Silver, Treasure, or other Articles so carried on Freight, and which he or they respectively shall have actually paid and satisfied, as shall be in proportion to the Share or Interest in the said Freight Money to which I may be entitled.

And that such Share or Shares of the Admiral or Admirals as aforesaid, to which he or they shall not be entitled on the Conditions hereinbefore expressed, shall go and belong to the Captain or Officer commanding the Ship or Vessel in which the Gold, Silver, Treasure, or other Article shall be carried on freight as aforesaid.

That in the Event of Loss or Damage happening to the Gold, Silver, Jewels, or other Articles so received on Freight, exceeding the total Freight Money, Greenwich Hospital shall not be entitled to receive any Sum on account of such Freight; and in Cases in which the Loss may not amount to the Whole of the Freight Money, Greenwich Hospital shall be entitled only to its Proportion of the Balance of Freight Money over and above such Loss or Damage.

That Commodores, with Captains under them, and Captains of the Fleet, are to be considered, agreeably to the Rules of the Service, as Flag Officers; and Commodores, without Captains under them, shall, with respect to Freight, be also considered as Flag Officers, when in the Command of a Station.

That when the Captain or Commander, or his Agent, shall have received the Freight, he shall pay over to the Senior Flag Officer and to the Treasurer of Greenwich Hospital, without Delay, their respective Shares, and the Captain shall be held responsible to both for any Loss which may occur through his Neglect or delay in receiving or paying the same; but if there be any Question or Difficulty as to the Payment, he is to apprize the Senior Flag Officer and the Treasurer of Greenwich Hospital respectively of the Causes of such Delay.

That the Captain or Officer commanding, on receiving any Treasure on board any of His Majesty's Ships or Vessels, shall transmit to the Senior Flag Officer, when such Captain or Officer commanding shall be under a Flag Officer, and in every Case to the Treasurer of Greenwich Hospital, and to the Secretary of the Admiralty, a Return of the Amount of such Treasure and of the Freight paid or to be paid thereon.

That when the Treasure shall, during the Voyage, be transhipped into One or more Ships, the Freight shall be divided, *pro rata itineris*, among the Admirals and Captains who may be entitled to share therein, according to the Services performed by the different Ships respectively: and if any difficulty or Dispute shall arise respecting such Division or Distribution, any party interested therein may refer the same to the Lords Commissioners of the Admiralty; and the Decision or Orders of the Lords Commissioners of the Admiralty, or any Three of them, as to such Division or Distribution, shall be final and conclusive thereon.

That, in order to prevent any Doubt or Misunderstanding as to the Rate or Distribution of Freight on Gold, Silver, Jewels, or other Articles as aforesaid, received on board Flag Ships, or any other of His Majesty's Ships and Vessels, and to prevent any private Agreements inconsistent with these Regulations, all Flag or other Officers are expressly forbidden to receive on board any of His Majesty's Ships or Vessels any Gold, Silver, Jewels, or other Articles as aforesaid, upon any Agreement or Condition different from these Regulations, or to take, demand, or receive any Sum, other than those established by these Regulations.

That these Rules and Regulations shall be in force from the Day on which they shall be received by His Majesty's Officers, and be thenceforward taken and understood to be the established Rule and Custom of His Majesty's Naval Service, on the several Particulars to which they refer, till they shall be revoked or otherwise altered by any Proclamation or Proclamations to be issued by Us.

Given at the Court at *Carlton House*, this Twelfth Day of *July*, One Thousand Eight Hundred and Nineteen, in the Fifty-ninth Year of His Majesty's Reign.

GOD SAVE THE KING.

TREASURE PLACED ON BOARD H.M.'s SHIPS FOR CUSTODY ONLY.

Admiralty, 4th June, 1821.

SIR,—My Lords Commissioners of the Admiralty having had under their consideration a question relative to the Freight Money to be allowed for treasure deposited on board His Majesty's ships for custody only, have decided that freight for such a deposit should be paid as if such deposit were a conveyance from one place to another within the same station, and shall be divided (where it has been on board more than one of His Majesty's ships) among the Captains as freight for conveyance would have been;—in all cases Greenwich Hospital is to have a share; and where, after any such *deposit*, new bills of lading, or new orders for *conveyance*, either on board another ship or the same ship, shall be made, the freight established for such conveyance by the Order in Council is to be charged, over and above the freight which might be already due on the score of deposit.

I have it in command from their Lordships to acquaint you therewith for your information and guidance.

I am, &c. J. W. CROKER.

BY THE KING.

A PROCLAMATION.

WILLIAM R.

And it is further established and declared, That such Freights shall be payable clear of all Deduction whatsoever; and that it shall be stipulated in the Bill of Lading that the Captains and Commanding Officers of Our Ships and Vessels shall not be liable to any Expenses

attending the Shipment of such Treasure, or other Articles, until the same shall be safe alongside of their respective Ships or Vessels, and that their liability shall cease from the Moment they shall have landed the Treasure at the Port to which the Ships carrying the Treasure shall be destined.

And it is further declared, That in all other respects, save what is hereby altered, the said Proclamation of the Twelfth Day of *July* One thousand eight hundred and nineteen, and the Rules and Regulations thereby established, shall continue in full Force.

Given at Our Court at *St. James's*, this Twenty-third Day of *April* One thousand eight hundred and thirty-one, in the First Year of Our Reign.

A PROCLAMATION.

WILLIAM R.

WHEREAS We did, by Our Royal Proclamation of the Twenty-third Day of *April* last, establish and declare a Scale of Rates at which Freight should be payable for public and private Treasure conveyed on board any of Our Ships and Vessels; We have, by and with the Advice of Our Privy Council, thought fit further to ordain, declare, and command, and We do hereby ordain, declare, and command, That from and after the First Day of *September* next, the Freight for conveying Gold and Silver in any of Our Packets between any Two Ports, the navigable Distance between which shall exceed Six Hundred Leagues, shall be fixed at the Rate of *One* per Cent., both for Gold and Silver: and We do hereby establish and declare, That the Responsibility of the Officer in charge of such Treasure shall commence when it shall be safe alongside the said Packet, and shall cease the Moment that it shall be landed at the Port of Destination: And it is further declared, That in all other respects the said Proclamation of the Twenty-third Day of *April* last, and the Rules and Regulations thereby established, shall continue in full Force.

Given at Our Court at *St. James's*, this Eighth Day of *June* One thousand eight hundred and thirty-one, in the First Year of Our Reign.

GOD SAVE THE KING.

Admiralty, 8th October, 1842.

My Lords Commissioners of the Admiralty are pleased to direct that Officers are not to constitute themselves judges of their own claims to Freight, nor deduct from Treasure belonging to the State such sums as they consider themselves entitled to, but that all claims for Freight on *Public* Treasure be submitted in the usual manner to the Lords of the Treasury for such orders as may appear to them to be required.

And with reference to the Circular Order of 4th June, 1821, granting an allowance for Treasure deposited on board Her Majesty's Ships for *Custody only*, as if such deposit were a conveyance from one place to another within the same station, my Lords direct that the Regulations under that Order are not to be considered as applying to Public Treasure, but to Treasure belonging to Private Individuals only.

By Command of their Lordships,

SIDNEY HERBERT.

CIRCULAR No. 29.—L.

Admiralty, 18th August, 1866.

(GREENWICH HOSPITAL PROPORTION OF FREIGHTAGE, FOR THE CONVEYANCE OF TREASURE IN H.M. SHIPS.)

My Lords Commissioners of the Admiralty having had under their consideration the mode at present adopted, with regard to the payment of the Greenwich Hospital Proportion of Freightage, for the conveyance of Treasure in H.M. Ships, are pleased so lay down the following regulations to be observed for the future:—

That the Returns of Freightage, hitherto sent by the Commanding Officers of H.M. Ships to Greenwich Hospital, be forwarded to the Accountant-General of the Navy, instead of to the Treasurer of Greenwich Hospital, as directed by the Proclamation, dated 12th July, 1819.

That the Half-Yearly Returns from the Commanders-in-Chief be sent, as heretofore, to my Lords, to be forwarded by them to the Accountant-General of the Navy.

That the Commanding Officers of H.M. Ships, upon the receipt of the Freightage on the Treasure conveyed, are to pay the proportion due to Greenwich Hospital to the Paymasters of their respective Ships, who are to debit themselves in their Public Cash Accounts under the Head of "Freightage on Treasure due to Greenwich Hospital," treating the same as a part of their Public Cash, available for their Contingent Payments, and transmitting Vouchers with their Cash Accounts, descriptive of the sums received, in order that these transactions may be duly examined in the Department of the Accountant-General of the Navy, and the amounts paid over to the credit of the "Greenwich Hospital Income Account."

The correspondence on the subject of "Freightage due to Greenwich Hospital" should be addressed to the Accountant-General of the Navy.

ENTRY AND DISCHARGES OF SEAMEN AND MARINES.

CIRCULAR No. 31.—N.

Admiralty, 23rd August, 1866.

(DIRECTIONS FOR THE EXAMINATION OF OFFICERS, MEN, AND BOYS FOR ADMISSION INTO THE ROYAL NAVY AND MARINES.)

My Lords Commissioners of the Admiralty are pleased to issue the following regulations for the Medical Examination of Officers, Men, and Boys for the Royal Navy and Marines, in lieu of those contained in article 34, pages 397 and 398 of the Queen's Regulations and Admiralty Instructions, and in article 14 of the Instructions to Surgeons and Agents of Sick Quarters.

When a Medical Officer is directed to examine any person for admission into the Naval Service, or into the Royal Marines, he is first to observe whether he has any marks of wounds, or injuries of the bones of the head, whether his eyesight or hearing is defective, whether he is deformed, lame, or has an impediment of speech, or weakness of intellect, and should any of these or other mental or physical defects exist to such an extent as might, in the opinion of the Examining Officer, disqualify him for the efficient discharge of his duty, he is at once to report him unfit without carrying the examination further.

On the contrary, should the person present no outward appearance of unfitness, he is to be directed to divest himself entirely of his clothes; and the Medical Officer is then to satisfy himself, by a careful inspection of the entire cutaneous surface, that it is not only in itself free from disease, but that it shows no evidence or sign of the existence of any internal complaint or constitutional derangement.

He is to ascertain that there is a proper and just proportion between the different members of the body, that there is no spinal weakness or deformity, that the limbs are of equal length, strong, and well developed, that there are no visible marks of previous fracture, depression, or disease of the bones of the head, nor adherent cicatrices, that the eyes are clear, intelligent, and expressive of health, the eyesight good, and the hearing perfect in both ears, that there is no defect

or deformity of the bones of the nose, and that the teeth are good, strong, and sufficient in number.

The chest should be carefully examined in reference to its form and capacity, and the condition of the heart and lungs ascertained by percussion and auscultation.

The abdomen is next to be examined for the purpose of detecting any enlargement or disease of the contained viscera, or predisposition to hernia from whatever cause.

The Examining Officer shall next direct the person to extend, and slowly raise his arms until the hands meet above his head; he is then to perform the various movements of the shoulder, elbow, and wrist joints; to flex and extend, supinate and pronate the forearm; to flex and extend the fingers and thumbs; and, by holding on by a rope, show that he can bear the weight of the body clear of the ground without any difficulty, with each hand, for at least five seconds.

In the examination of the lower extremities, the person is to be made to walk backwards and forwards, to hop first on one foot, and then on the other, to flex and extend the limbs and feet to show that the movements of the various joints can be freely and rapidly performed.

Persons of whatever class, or age, who are found to be labouring under any of the undermentioned physical defects or infirmities, are to be considered unfit for Her Majesty's Service:—

1. A weak constitution arising from imperfect development, or weakness of the physical powers of the body, or from chronic disease, constitutional depravity, wounds or injuries.

2. Chronic eruptions on the skin or scalp; syphilis, primary or constitutional; gonorrhœa; extensive marks of cupping, leeching, or blistering, or of issues. Marks of punishment are to be reported to the Commanding Officer.

3. Malformation of the head, with a dry, harsh, divergent state of the hair of the scalp, fracture or depression of the bones of the skull, disordered intellect or imbecility, epilepsy, paralysis, or impediment of speech.

4. Blindness or defective vision in one or both eyes, fistula lachrymalis, and ptosis.

5. Impaired hearing, or discharge from one or both ears, disease or thickening of the lining membrane of the external ear.

6. Disease of the bones of the nose or of its cartilages, and polypus.

7. Disease of the throat, palate, or tonsils; unsound teeth, offensive breath from constitutional causes, unhealthy gums, scrofulous disease of the glands of the throat or neck, external cicatrices, whether from scrofulous sores or suicidal wounds.

8. Functional or organic disease of the heart or blood vessels, deformity or contraction of the chest, flattening of the sub-clavicular regions, phthisis, hæmoptysis, bronchitis, dyspnœa, aphonia, chronic cough, or other symptoms of tubercular exudation into the pulmonary tissues.

10. Swelling or distension of the abdomen, undue obesity, disease or enlargement of the liver, spleen, or kidneys. Rupture, weakness or distention of the abdominal rings; stricture of the urethra, incontinence of urine or urinary fistula.

11. The non descent of one or both testicles, varicocele, hydrocele, and sarcocele.

12. Fistula or fissure of the anus, hæmorrhoids, condylomata, or prolapsus of the rectum.

13. Paralysis, weakness, impaired motion, or contraction of the upper or lower extremities from whatever cause; aneurism, a varicose state of the veins, especially of the leg. Chalky deposits, bunions, distortion, deformity, or malposition of the fingers or toes; nodes; flat-footedness.

14. Distortion of the spine, of the bones of the chest or pelvis, from injury or constitutional defect.

No person is to be admitted into Her Majesty Service unless he has had smallpox, or has been vaccinated, and should the vaccine cicatrix not be considered satisfactory, he is to be reported fit only on condition that he immediately submits to the operation.

As it is clearly possible that some of the preceding defects or disabilities may exist in a very minor degree, the Examining Officers must necessarily, in such cases, be guided by their own judgment as to whether they are of such importance as entirely to disqualify a man or boy for the Service; observing, however, that no person is to be reported fit unless he is likely to continue efficient and serviceable in any climate, and under all the vicissitudes of the Service for a period of not less than ten years.

All persons examined for entry into the Naval Service or Marines by a Medical Officer, are to be entered on a list in the Medical Journal of the ship, in the Nosological Returns from Hospitals and Marine Infirmaries, and in the Weekly Returns rendered by Surgeons and Agents; and no man or boy who has been reported fit for the service by a Medical Officer of the Royal Navy or of the Royal Marines is to be again subjected to examination, unless he re-enters for continuous service, or there is reason to believe that he is labouring under some disability contracted or sustained since his entry,—or, on going on foreign service.

By command of their Lordships,
HENRY G. LENNOX.

To all Commanders-in-Chief, &c.

1. Men who enter the Royal Navy for the first time as continuous service men, are to engage for 10 years' service. Having served that period, they may have the option of completing their time for pension either by two separate entries of 5 years each, or by one entry for 10 years.

2. Non-continuous service men who volunteer for continuous service, are likewise to be entered for 10 years. THE VICTORIA CROSS.

VICTORIA R.

Whereas, We, taking into Our Royal consideration that there exists no means of adequately rewarding the individual gallant services either of Officers of the lower grades in Our Naval and Military Service, or of Warrant and Petty Officers, Seamen, and Marines, in our Navy, and Non-Commissioned Officers and Soldiers in Our Army; and whereas the Third Class of Our Most Honourable Order of the Bath is limited, except in very rare cases, to the higher ranks of both Services, and the granting of medals, both in our Navy and Army, is only awarded for long service or meritorious conduct, rather than for bravery in action or distinction before an enemy, such cases alone excepted where a general medal is granted for a particular action or campaign, or a clasp added to the medal for some especial engagement, in both of which cases all share equally in the boon, and those who by their valour have particularly signalised themselves remain undistinguished from their comrades. Now, for the purpose of attaining an end so desirable as that of rewarding individual instances of merit and valour, We have instituted and created, and by these presents, for Us, Our Heirs and Successors, institute and create a New Naval and Military Decoration, which We are desirous should be highly prized and eagerly sought after by the Officers and Men of Our Naval and Military Services, and are graciously pleased to make, ordain, and establish the following rules and ordinances for the government of the same, which shall from henceforth be inviolably observed and kept:

Firstly. It is ordained, that the distinction should be styled and designated "the Victoria Cross," and shall consist of a Maltese Cross of Bronze, with our Royal Crest in the centre, and underneath which an escroll, bearing this inscription, "For Valour."

Secondly. It is ordained, that the Cross shall be suspended from the left breast by a blue riband for the Navy and by a red riband for the Army.

Thirdly. It is ordained, that the names of those upon whom We may be pleased to confer the Decoration shall be published in the "London Gazette," and a registry thereof kept in the office of Our Secretary of State for War.

Fourthly. It is ordained, that any one who, after having received the Cross, shall again perform an act of bravery, which, if he had not received such Cross, would have entitled him to it, such further act shall be recorded by a Bar attached to the riband by which the Cross is suspended, and for every additional act of bravery an additional Bar may be added.

Fifthly. It is ordained, that the Cross shall only be awarded to those Officers or men who have served Us in the presence of the enemy, and shall have then performed some signal act of valour, or devotion to their country.

Sixthly. It is ordained, with a view to place all persons on a perfectly equal footing in relation to eligibility for the Decoration, that neither rank, nor long service, nor wounds, nor any other circumstance or condition whatsoever, save the merit of conspicuous bravery, shall be held to establish a sufficient claim to the honour.

Seventhly. It is ordained, that the Decoration may be conferred on the spot where the act to be rewarded by the grant of such Decoration has been performed, under the following circumstances:—

I. When the Fleet or Army, in which such act has been performed, is under the eye and command of an Admiral or General Officer commanding the Forces.

II. Where the Naval or Military forces under the eye and command of an Admiral or Commodore commanding a squadron or detached naval force, or of a General commanding a corps, or division or brigade on a distant and detached service, when such Admiral, Commodore, or General Officer shall have the power of conferring the Decoration on the spot, subject to confirmation by Us.

Eighthly. It is ordained, where such act shall not have been performed in sight of a Commanding Officer as aforesaid, then the claimant for the honour shall prove the act to the satisfaction of the Captain or Officer commanding his ship, or to the Officer commanding the regiment to which the claimant belongs, and such Captain or such Commanding Officer shall report the same through the usual channel to the Admiral or Commodore commanding the force employed on the service, or to the Officer commanding the forces in the field, who shall call for such description and attestation of the act as he may think requisite, and on approval shall recommend the grant of the Decoration.

Ninthly. It is ordained, that every person selected for the Cross, under rule seven, shall be publicly decorated before the Naval or Military force or body to which he belongs, and with which the act of bravery for which he is to be rewarded shall have been performed, and his name shall be recorded in a General Order, together with the cause of his especial distinction.

Tenthly. It is ordained that every person selected under rule eight shall receive his Decoration as soon as possible, and his name shall likewise appear in a General Order as above required, such General Order to be issued by the Naval or Military Commander of the Forces employed on the service.

Eleventhly. It is ordained that the General Orders above referred to shall from time to time be transmitted to Our Secretary of State for War, to be laid before Us, and shall be by him registered.

Twelfthly. It is ordained that as cases may arise not falling within the rules above specified, or in which a claim, though well founded, may not have been established on the spot, We will, on the joint submission of Our Secretary of State for War and of Our Commander-in-chief of Our Army, or on that of Our Lord High Admiral or Lords Commissioners of the Admiralty in the case of the Navy, confer the Decoration, but never without conclusive proof of the performance of the act of bravery for which the claim is made.

Thirteenthly. It is ordained that, in the event of a gallant and daring act having been performed by a squadron, ship's company, a detached body of Seamen and Marines, not under fifty in number, or by a brigade, regiment, troop, or company, in which the Admiral, General, or other Officer commanding such forces, may deem that all are equally brave and distinguished, and that no special selection can be made by them; then, in such case, the Admiral, General, or other Officer commanding, may direct, that for any such body of Seamen or Marines, or for every troop or company of Soldiers, one Officer shall be selected by the Officers engaged for the Decoration; and in like manner one Petty Officer or Non-Commissioned Officer shall be selected by the Petty Officers and Non-commissioned Officers engaged; and two Seamen or Private Soldiers, or Marines, shall be selected by the Seamen, or Private Soldiers, or Marines, engaged respectively, for the Decoration; and the names of those selected shall be transmitted by the Senior Officer, in command of the Naval force, brigade, regiment, troop, or company, to the Admiral or General Officer commanding, who shall in due manner confer the Decoration as if the acts were done under his own eye.

Fourteenthly. It is ordained that every Warrant Officer, Petty Officer, Seaman, or Marine, or Non-Commissioned Officer or Soldier, who shall have received the Cross shall, from the date of the act by which the Decoration has been gained, be entitled to a Special Pension of Ten Pounds a-year, and each additional Bar conferred under rule four on such Warrant or Petty Officers, or Non-Commissioned Officers or Men, shall carry with it an Additional Pension of Five Pounds per annum.

Fifteenthly. In order to make such additional provision as shall effectually preserve pure this most honourable distinction, it is ordained, that if any person on whom such distinction shall be conferred, be convicted of treason, cowardice, felony, or of any infamous crime, or if he be accused of any such offence and doth not after a reasonable time surrender himself to be tried for the same, his name shall forthwith be erased from the registry of individuals upon whom the said Decoration shall have been conferred by an especial Warrant under Our Royal Sign Manual, and the Pension conferred under rule fourteen shall cease and determine from the date of such Warrant. It is hereby further declared that We, Our Heirs and Successors, shall be the sole judges of the circumstance demanding such expulsion; moreover, We shall at all times have power to restore such persons as may at any time have been expelled, both to the enjoyment of the Decoration and Pension.

Given at our Court at Buckingham Palace, this twenty-ninth of January, in the nineteenth year of Our reign and in the year of our Lord one thousand eight hundred and fifty-six.

By Her Majesty's Command,

PANMURE.

CIRCULAR No. 10.—M M.

Admiralty, 7th April, 1866.

Alterations having been made by Act of Parliament, 28 and 29 Vic., cap. 72, in the Regulations for attesting the Wills of Petty Officers, Seamen, and Marines, my Lords Commissioners of the Admiralty are pleased to cancel Circular dated 16th July, 1858, respecting the Execution of such Wills, and to substitute the accompanying Circular of this date.

In places out of Europe the New Regulations take effect only from the 28th August, 1866.

By Command of their Lordships,

C. PAGET.

To all Commanders-in-Chief, &c.

FORMS OF WILLS FOR PETTY OFFICERS, SEAMEN, AND MARINES.

Admiralty, 7th April, 1866.

Numerous instances having occurred in which Wills, executed by Petty Officers, Seamen, and Marines on board Her Majesty's Ships have been invalid for want of attention to the points required by Act of Parliament to be observed in their execution, the Lords Commissioners of the Admiralty, with a view to obviate this inconvenience, have caused printed Forms of Wills to be prepared for the use of Men serving in Her Majesty's Navy, with particular instructions thereon for completing them according to law; and I am commanded by their Lordships to signify their directions that the instructions on these Will Forms be strictly attended to, and that every Will, as soon as practicable after execution, be sent to the Secretary of the Admiralty to be examined by the Inspector of Seamen's Wills, who will advise the Testator of the receipt of the same and of any irregularity therein, and also, if the Will is valid, issue instructions to the Executor how to proceed on the Testator's death.

By Command of their Lordships,

C. PAGET.

No. 63.

In the Name of God, Amen.

I, of Her Majesty's Ship (now a Patient * in) being of sound mind, do hereby make this my last Will and Testament: I give and bequeath unto my [*Insert the degree of relationship (if of any) and place of residence of the legatee or legatees*] all such Wages, Prize Money, Allowances, and other Sum or Sums of Money, as now are, or hereafter may be due to me for my service on board the said Ship, or any other Ship or Vessel, of the Royal Navy, together with all other my Estates and Effects whatsoever and wheresoever.

And I do hereby appoint [*Insert the degree of relationship (if of any) and place of residence of the executor or executors*] Executors of this my last Will and Testament; and hereby revoking all former Wills by me made, I declare this to be my last Will and Testament. In witness whereof I have at hereunto set my hand, this day of , in the year of our Lord one thousand eight hundred and

This Will having been first read over to the Testator, who appeared perfectly to understand the same, in our presence, was signed by him in the presence of us, both being present at the same time, and we thereupon hereunto subscribed our names as Witnesses, in the presence of the said Testator, and of each other.

Witnesses { ... ...

NOTE.—As Wills of Petty Officers, Seamen, and Marines must be executed with the formalities required by the Law of England in the case of other persons, every such Will must be executed in the presence of, and be attested by *two disinterested* Witnesses.

Where the Will is made on board one of Her Majesty's Ships, one of the two requisite attesting Witnesses shall be a Commissioned Officer, Chaplain, or Warrant or Subordinate Officer belonging to Her Majesty's Naval or Marine or Military Force.

Where the Will is made elsewhere than on board one of Her Majesty's Ships, one of the two requisite attesting Witnesses shall be a Commissioned Officer, or Chaplain or Warrant or Subordinate Officer, or the Governor, Agent, Physician, Surgeon, Assistant Surgeon, or Chaplain of a Naval Hospital at home or abroad, or a Justice of the Peace, or the Incumbent, Curate, or Minister of a Church or Place of Worship in the Parish where the Will is executed, or a British Consular Officer, or an Officer of Customs, or a Notary Public.

A Will made by any person while serving as a Seaman or Marine will not be valid for any purpose if it is written or contained on or in the same Paper, Parchment, or Instrument with a Power of Attorney.

CIRCULAR, No. 11.—P.

Admiralty, 12th April, 1866.

(PAY, PENSION, ALLOTMENTS, UNCLAIMED PAY, STOPPAGE OF PAY BY "R," MEDALS AND DECORATIONS, PRIZE MONEY.)

My Lords Commissioners of the Admiralty are pleased to direct that the following Regulations, recently made or renewed by the Acts of Parliament and Orders in Council respectively quoted, be promulgated for the information and guidance of all Officers, Naval and Civil, and others to whom the same may relate.

By Command of their Lordships,

C. PAGET.

Pay and Pension.

Any assignment, sale, or contract of or relating to any Pay, Wages, Bounty Money, Grant, or other allowance in the nature thereof, payable in respect of services in Her Majesty's Naval or Marine Force to a person being or having been a subordinate officer, seaman, or marine is void.

Any assignment, sale, or contract relating to any Naval Pension, Allowance from the Compassionate Fund, Half-Pay, or Marine Half-Pay, is void.

A seamen or marine discharged from one ship to another shall not be rated lower in the latter ship on or in consequence of such discharge or transfer.

Allotments.

Where the Wife, being allottee, dies or deserts her children, or so misconducts herself as to be considered undeserving of support from her husband, the Admiralty may stop further payment. And if in any such case there is a Child of the Seamen or Marine allotting unprovided for, the Admiralty may revoke the authority for payment to the Wife, and make out a new authority in favour of a proper person, recommended for the purpose, resident in the parish where the Child is, that such person may apply to the maintenance of the Child the money allotted.

Where a Wife being allottee becomes of unsound mind, the Admiralty may stop further payment under the allotment, revoke the authority for payment to the Wife, and make out a new authority in favour of a proper person recommended for the purpose; that such person may apply, for the benefit of the Wife and the Children (if any) of the Seaman or Marine allotting, the money allotted.

Unclaimed Pay.

Pay shall be deemed forfeited if within six years from the 1st day of January next following the time when it became payable—

(1.) If it is not claimed; or

(2.) A claim made to it is not proved to the satisfaction of the Admiralty.

The Admiralty may, however, if they see good cause, in any case remit such forfeiture.

Stoppage of Pay by "R."

A person against whose name the letter "R" is placed in the Books of the Ship to which he belongs, as denoting a deserter, shall not, while the "R" so remains, be entitled to receive his Pay; but the Admiralty may, in any case if they think fit, order the "R" to be removed, and authorise payment of the Pay accrued.

Medals and Decorations.

Medals and Decorations belonging to Officers, Seamen, and Marines dying on service shall be preserved for delivery to their representatives, unless representation be taken out by a creditor as such, in which case any such Medal or Decoration shall be disposed of as if it had not been issued to the deceased.

Prize Money.

Any Assignment made by a Warrant Officer of any Prize Money shall be void unless it truly expresses the consideration money actually paid by the person in whose favour it is made to the person making it, and upon any such Assignment there shall be paid so much *money* only as appears to have been actually paid as consideration for the same, with interest thereon at 5 per cent. per annum.

Only Commissioned and Warrant Officers, and Assistant Engineers of the 2nd Class amongst Subordinate Officers, can make valid Assignments of Prize Money.

Any share of Prize Money of any other person can only be paid to himself, or the person named in an order drawn by him as hereinafter prescribed.

(The foregoing restriction does not, however, apply to any Prize Money remaining unpaid on the promotion of a Subordinate Officer to the rank of Commissioned Officer, or of a Seaman to the rank of Warrant Officer.)

Every Prize Order:—

Must be drawn on a printed form issued by the Accountant-General of the Navy;

And in favour of some one or other of the following persons by name:

The Drawer's Wife;
" Father or Mother;
" Son or Daughter;
" Brother or Sister;

any of whom must be so described in the Order.

Unclaimed and forfeited shares of Prize Money:—

If the share of any person is not duly claimed within six years after it is payable to him, it shall be deemed unclaimed, and shall be dealt with accordingly.

Notwithstanding that any such share has been forfeited or is unclaimed, the Admiralty may, if they see good cause, pay the same out of the Naval Prize Cash Balance.

CIRCULAR, No. 16.—M.

Admiralty, 6th June, 1866.

(RATING OF CARPENTER'S CREW, 2nd CLASS.)

A Ship having been appropriated for training a limited number of Boys, to be hereafter employed as Carpenters' Crews for Her Majesty's Navy, my Lords Commissioners of the Admiralty have been pleased to establish a new Rating of

"Carpenter's Crew, 2nd Class,"

with the pay of one shilling and three pence a-day, to be given to such Apprentices under training on their attaining the age of 18.

These Artificers will be sent to sea at the age of 19, and are to be rated as Carpenter's Crew, if found qualified, after one year's service; but if not sufficiently advanced in their trade, they are to be continued under instruction in the 2nd Class until they reach the age of 21.

By Command of their Lordships,

T. G. BARING.

THE ALBERT MEDAL.

Extract from London Gazette of 13th March, 1866.

WARRANT INSTITUTING A NEW DECORATION TO BE STYLED THE ALBERT MEDAL.

VICTORIA, R.

VICTORIA, by the Grace of God, of the United Kingdom of Great Britain and Ireland, Queen, Defender of the Faith, &c., to all to whom these presents shall come, greeting:

WHEREAS, We, taking into Our Royal consideration that great loss of life is sustained by reason of shipwrecks and other perils of the sea, and taking also into consideration the many daring and heroic actions performed by mariners and others to prevent such loss, and to save the lives of those who are in danger of perishing by reason of wrecks and perils of the sea; and taking also into consideration the expediency of distinguishing such efforts by some mark of Our Royal favour: Now, for the purpose of attaining an end so desirable as that of rewarding such actions as aforesaid, We have instituted and created, and by these presents, for Us, Our Heirs and Successors, institute and create a new Decoration, which We are desirous should be highly prized and eagerly sought after, and are graciously pleased to make, ordain, and establish the following Rules and Ordinances for the government of the same, which shall from henceforth be inviolably observed and kept:

First.—It is ordained that the distinction shall be styled "The Albert Medal," and shall consist of a gold oval-shaped badge or decoration, enamelled in dark blue, with a monogram composed of the letters V. and A. interlaced, with an anchor erect, in gold, surrounded with a garter, in bronze, inscribed in raised letters of gold "For Gallantry in Saving Life at Sea," and surmounted by a representation of the crown of His Royal Highness the lamented Prince Consort, and suspended from a dark blue riband of five-eighths of an inch in width, with two white longitudinal stripes.

Secondly.—It is ordained that the Medal shall be suspended from the left breast.

Thirdly.—It is ordained that the names of those upon whom We may be pleased to confer the decoration shall be published in the 'London Gazette,' and a Registry thereof kept in the Office of the Board of Trade.

Fourthly.—It is ordained, that any one who, after having received the medal, again performs an act which, if he had not received such medal, would have entitled him to it, such further act shall be recorded by a bar attached to the riband by which the Medal is suspended, and for every such additional act an additional bar may be added.

Fifthly.—It is ordained, that the Medal shall only be awarded to those who, after the date of this Instrument, have, in saving, or endeavouring to save, the lives of others from shipwreck or other peril of the sea, endangered their own lives; and that such award shall be made only on a recommendation to Us by the President of the Board of Trade.

Sixthly.—In order to make such additional provision as shall effectually preserve pure this most honourable distinction; it is ordained that if any person on whom such distinction is conferred be guilty of any crime or disgraceful conduct which, in our judgment, disqualifies him for the said Decoration, his name shall forthwith be erased from the registry of individuals upon whom the said Decoration shall have been conferred by an especial Warrant under Our Royal Sign Manual, and his Medal shall be forfeited; and every person to whom the said Medal is given shall, before receiving the same, enter into an engagement to return the same if his name shall be so erased as aforesaid under this regulation. It is hereby further declared that We, Our heirs and successors, shall be the sole judges of the circumstance demanding such expulsion; moreover, We shall at all times have power to restore such persons as may at any time have been expelled, to the enjoyment of the Decoration.

Given at Our Court at *St. James's*, this seventh day of *March*, one thousand eight hundred and sixty-six, in the twenty-ninth year of Our reign.

By Her Majesty's command,

G. GREY.

NAVAL MEDALS.

Admiralty, 7th June, 1848.

The Lords Commissioners of the Admiralty having referred to a Committee of Flag Officers the consideration of the naval actions for which medals should be granted, in accordance with the spirit of the Queen's most gracious intentions, as signified in the Gazette of the 4th June, 1847; and Her Majesty having been pleased to approve of several of the suggestions submitted by the said Committee, the following notice is issued for the information and guidance of those who may have claims to this honourable distinction:—

1st. The rule, directed by Her Majesty to be observed in extending this mark of Her royal favour, is so comprehensive as to bring within its scope all Officers, seamen, and marines (and soldiers who served as marines) who were present in any action which at the time received the special approbation of the Lords Commissioners of the Admiralty.

2nd. From the commencement of the war in 1793, it was the practice of the Board of Admiralty to notice battles of conspicuous merit by the promotion of the First Lieutenant of the ship or ships, or the promotion of the Commander, if the action was fought by a small vessel; and, conformably with this practice, it is Her Majesty's pleasure, that persons of every rank, who were present in such actions, during the wars commencing in 1793, and ending in 1815, and now living, shall receive a medal commemorative of their meritorious services; and they are required forthwith to state their claims for each action in which they may have been engaged, according to the form (A) hereunto annexed, and transmit the same to the Secretary of the Committee of Flag Officers, Admiralty, London.

3rd. Her Majesty has also been pleased to take into Her gracious consideration the many instances of gallantry displayed by Officers, seamen, and marines in boat actions during the same period, and to direct that such services, if distinguished by the promotion of the Officer conducting the enterprise, shall entitle those who were present, and now living, to a medal; provided the answers, to be given in the form (B), shall enable the Committee to ascertain that the claim is well founded. But the Officers, seamen, and marines of the ships, from which the boats were detached, are not to participate in a distinction which only properly belongs to those personally engaged.

4th. It is also ordered, that service in the frigates and smaller vessels, which were actually present in any of the great fleet actions mentioned in the Gazette of the 4th June, 1847, for which the Captains of the ships of the line received medals, shall entitle those now surviving of the crews of such vessels to a medal.

And all surviving Officers, seamen, and marines, belonging to ships actually co-operating and present during the siege and capture of

Martinique in 1809,
Guadaloupe in 1810,
Java in 1811,
St. Sebastian in 1813,

for which the Army had medals, will be entitled to a similar distinction, if their return, according to form (A), shall enable the Committee to trace the presence and co-operation of the ships to which the applicants belonged.

And 5th. Her Majesty, having taken into Her most gracious consideration the circumstance that medals have been granted by Her Majesty for services rendered by the Navy, not only in the wars commencing in 1793, and ending in 1815, but also for services rendered in the late war in China, whilst the intermediate general actions, viz.:

The attack upon Algiers in 1816,
The battle of Navarino in 1827, and
The operations on the coast of Syria in 1840,

are unmarked by any such distinction, has been pleased to direct, that the surviving Officers, seamen, and marines, engaged in those actions, shall also receive a similar mark of their Sovereign's gracious recollection of their services, and of Her desire to record the same; and all such Officers, seamen, and marines, are, therefore, hereby called upon to transmit their claims to such distinction according to the annexed form A., and addressed to the Secretary of the Committee of Flag Officers, Admiralty, London.

The following Flag Officers have been directed to re-assemble, as a committee for the investigation and adjudication of all claims sent in according to the printed forms, viz.:

Admiral Sir T. Byam Martin, G.C.B.
Admiral Sir W. Hall Gage, G.C.H.
Admiral the Hon. Sir Thomas Bladen Capel, K.C.B.
Vice-Admiral Sir James A. Gordon, K.C.B.

By command of the Lords Commissioners of the Admiralty,

H. G. Ward.

(A.)

Name of Applicant.	Name of the Ship.	Captain's Name.	Action for which Claim is preferred.	Date of Action.	Name of Officer or Officers promoted.

(B.)

Name of Applicant.	Name of his Ship.	Captain's Name.	Place or Occasion where the Attack was made.	Date of the Attack.	Name of the Boat in which the Applicant served, and Name of the Officer Commanding the Boat.	Name of the Officer Commanding the Enterprise.	Name of the Officer promoted.

The Notice published in the Gazette of 1st June, 1847, is herewith repeated.

Admiralty, 1st June, 1847.

Her Majesty having been graciously pleased to command that a medal should be struck to record the services of Her Fleets and Armies, during the wars commencing in 1793 and ending in 1815, and that one should be conferred on every Officer, non-commissioned officer, petty officer, soldier, seaman, and marine, who was present in any action, naval or military, to commemorate which medals have been struck by command of Her Majesty's Royal Predecessors, and distributed to Superior Officers, according to the rules of the Service at that time in force:

All Officers, petty officers, seamen, and marines, who consider that they are entitled to receive this mark of their Sovereign's gracious recollection of their services, and of Her desire to record the same, are to send in writing, the statement of their claims, addressed to the Secretary of the Admiralty, Whitehall, London, specifying for what action, and at what period of time, the claim is preferred, and the names of the persons or the titles of the documents by which it can be established.

A Board of Officers will be appointed to take into consideration the facts stated in these applications, and to report upon the same to the Lords Commissioners of the Admiralty, for the information of Her Majesty, so as to enable those commanded by Her Majesty to deliver to the claimants the medals accordingly.

The names of all those, who may apply for the naval medal, will be classed alphabetically, and to each name will be appended the actions at which the claimant may have been present, proof of which must be given to the entire satisfaction of the Board.

The occasions for which medals have been granted by the Sovereign are specified below, for general information and guidance.

By command of the Lords Commissioners of the Admiralty,

H. G. WARD.

NOTICE.

NAVAL TURKISH MEDALS.

Department of the Accountant-General of the Navy, Admiralty, Somerset-House, March 1st, 1859.

Her Majesty having been graciously pleased to approve of the grant of a Medal which has been awarded by the Sultan of the Ottoman Empire, to the Officers and Crews of Her Majesty's Ships employed in the Black Sea, between the 17th September, 1854, the date of the landing of the Troops, and the 9th September, 1855, the date of the fall of Sebastopol,—

Notice is hereby given, that a portion of such Medals have arrived in this Country, and will be distributed in the first instance, to Officers and Men on board Her Majesty's Ships on the Home Stations, and persons at present in the United Kingdom.

A further notice will be given when the remaining portion of the Medals shall have been received.

Every applicant must state his rank or rating, and the name of the ship or ships on board which he served; also in the case of every Petty Officer, Seaman, or Marine, it is indispensable that his application should be accompanied by a certificate of service, except in the case of his being on board one of Her Majesty's Ships, and the application being made through his Commanding Officer, in which case the certificate will not be required.

When there are several claimants on board the same ship, it is desirable that they should make their applications in one letter through their Commanding Officer, by a list alphabetically arranged under the ships in which they were serving at the time, and affording the information as above required.

No other claims should be mixed up with the applications for the Medals in question, and in all cases where the parties have served in more than one ship in the Black Sea between the dates before stated, the name of each ship must be given.

Distribution will commence on the 4th day of March, 1859.

N.B. The grant of the Decoration will be extended to officers and men who belonged to any of Her Majesty's Ships in the Black Sea, and who were engaged in some Expedition or operation against the enemy subsequent to that date; but to entitle them to the Medal, it is necessary that the performance of the particular service should be certified by the Commanding Officers under whom they acted.

APPENDIX.

NAVAL RETIREMENTS.

REAR-ADMIRALS AND CAPTAINS.

THE plan of Retirement, published in the London Gazette of 1st Sept., 1846, and carried out by Her Majesty's Order in Council of 24th April, 1847, provides:—

1st. That the rank of Retired Rear-Admiral shall be given, by Seniority, to such
C. applicants from the 14*s.* 6*d.* Half-pay List as may be willing to accept it, with the pay of 1*l.* 5*s.* per diem, and the corresponding pension to their widows, under the usual restrictions.

2nd. An addition of 7*s.* 6*d.* per day to be given to applicants, by Seniority, from the 12*s.* 6*d.* and 10*s.* 6*d.* Half-pay Lists, being Captains of not less than 20 years'
D. standing and 55 years of age. Officers from both Lists to be permitted to assume the title of Retired Rear-Admiral at the period when they would have obtained the Flag by Seniority had they remained upon the Active List, and (under Order in Council of 17 May, 1858) to rise to the higher grades on the Flag List, according to the Seniority which they respectively held on the List of Captains. Their widows to be entitled to a pension of 110*l.* per annum, and to the pension of Rear-Admiral's widow when the rank of Retired Rear-Admiral has been attained.

3rd. The vacancies upon the 1*l.* List to be filled up, in turn of Seniority, by Officers then accepting the 18*s.* per diem; but no new admissions to the 1*l.* 5*s.* List to be made until it is reduced below the number of 25, which it is not to exceed afterwards. The permanent Retired List to be reduced to 100, by making one appointment for every two vacancies, the first 25 Officers upon the List receiving 1*l.* 5*s.* per diem, and the remaining 75 1*l.* per diem, with the right of assuming the rank of Retired Rear-Admiral when entitled to it by Seniority.

RETIREMENT UNDER THE ORDER IN COUNCIL OF 25TH JUNE, 1851.

Her Majesty, by Her Order in Council of June 25th, 1851, having been graciously pleased to sanction certain arrangements proposed by the Board of Admiralty, with a view to the general benefit of the Naval Service, and, at the same time, the ultimate reduction of the present charge for half-pay, the Lords Commissioners of the Admiralty hereby give notice of the mode in which the arrangements in question will be carried into effect.

The number of Flag Officers will in future be reduced to 99, exclusive of Admirals of the Fleet; of these 21 to be Admirals, 27 Vice Admirals, and 51 Rear Admirals: this reduction will be effected as follows, viz.—

1st. By removing to a Reserved Half-pay List those Officers now on the Active List who have not served for their Flag, under the Order in Council of 30th June,
B. 1827. These Officers will receive, as at present, the Half-pay of Rear Admirals, but will be allowed the same advantage of rising in rank as if they had remained on the Active List.

2nd. By awarding ten Retired Service Pensions, of 150*l.* each, to such Flag Officers
A. as are either above 70 years of age, or are physically incapable of further Active Service; such Officers to be placed on the Reserved List, and the vacancies occasioned by death to be filled up from the Active List. These Pensions will *not* be held in addition to the Good Service Pension.

FURTHER RETIREMENT OF FLAG OFFICERS UNDER THE ORDER IN COUNCIL OF 24TH MARCH, 1866.

1. Compulsory Retirement to be extended to all the Executive Lists.
2. Admirals to be retired on attaining 70 years of age, or when physically unfit for service.

3. Vice-Admirals to be retired on attaining 68 years of age, or when physically unfit for service.

4. Rear-Admirals to be retired on attaining 65 years of age, or when physically unfit for service.

5. Flag Officers at present on the Active List, who may be retired under these regulations, will retain all the privileges of rising in rank and pay to which they are now entitled; but no Flag Officer who has not hoisted his flag will be considered eligible for the appointments of Vice and Rear Admirals of the United Kingdom, or for promotion to the rank of Admiral of the Fleet.

6. The Active Flag List to be reduced to 85.

Admirals of the Fleet and Admirals (But not to be more than three Admirals of the Fleet at one time)	21	
Vice-Admirals	22	
Rear-Admirals	42	
	85	

This reduction to be made gradually, by only filling up two out of every three vacancies caused by the removal of Flag Officers who accept Greenwich Pensions, and by retirements from age, whether optional or compulsory. Vacancies from all other causes to be filled up as they occur. Vacancies on the List of Flag Officers on Reserved Half Pay in receipt of Service Pensions, and on the List of Flag Officers of Greenwich Hospital, will not be filled up.

7. Flag Officers at present on the Active List, who have hoisted their Flags, or been employed at the Admiralty since their promotion to Flag Rank, are to be allowed to retain their places on the Active List, if they should prefer it, but they may be placed on the Retired List at their own request, with the consent of the Admiralty. Officers coming on the Flag List after this date will be subject to compulsory retirement at the age specified above, whether they have served or not.

RETIREMENT OF 1851—*continued.*

CAPTAINS.

The number of Captains on the Active List will be reduced to a number not permanently exceeding 350, and the reduction shall be effected as follows, viz.—

B. 1st. As vacancies occur on the Active List of Flag Officers, the Captain first in Seniority, who has served for his Flag, will be promoted; reserving, however, Her Majesty's undoubted right of selection. Those Captains who rise to their Flags, and who have not so served, will be placed on the Reserved Half-pay List, rising in rank as at present, but with the Half-pay only of Rear-Admirals.

E. 2nd. By keeping up the Retirement of 1846 to the number of 200, to be effected by permitting Captains who are above 55 years of age, and who have been on the Captains' List for ten years, to be eligible for retirement. The Retirement will be so kept up to 200 until the List of Captains shall be reduced to 350; the Retired List then to be diminished by only retiring one in two vacancies until it shall be reduced to 100.

3rd. By observing the rule of promotion, as it is now in force, of promoting one in three vacancies, except in special and individual cases, until the number is reduced to 350.

F. While my Lords have recommended the abandonment of the system of brevet promotion in future, they are nevertheless desirous of meeting the claims of old officers who have served long and well, and who seek their promotion rather as a reward for past services, than in the expectation of further employment. To meet these claims equitably, and at the same time not to fill the Active List with Officers who cannot long continue fit for service, their Lordships will promote by selection 50 Commanders to the rank of Captains. These Officers will be placed on reserved Half-pay. Of these 50, 20 will be selected in the present year, and 10 in each succeeding year, until the number reaches 50, when the vacancies only will be filled up.

... promotion to this List is abolished by Order in Council of 1st August, ... Commanders who have been promoted to the Reserved List of Captains ... Orders in Council of 25th June, 1851, and 30th January, 1856, will be ... to increase of Pay, on the same scale as Commanders retired with the Rank ... Captain under that Order in Council (see below), according to their length of service.)

FURTHER RETIREMENT OF CAPTAINS UNDER ORDER IN COUNCIL OF 1ST AUGUST, 1860.

T. All Captains who have attained, or shall hereafter attain, the age of 60, without having served in their present Rank, to be placed on a Retired List, and receive Retired Pay as follows:—

If on 10*s.* 6*d.* Half-pay List when retired	18*s.* per diem.
If on 12*s.* 6*d.*	20*s.* ,, ,,
If on 14*s.* 6*d.*	20*s.* ,, ,,

Such Officers to assume the Rank and Title of Rear-Admiral at the time they would have obtained their Flag by Seniority, had they remained on the Active List.

Captains who may arrive at the head of the List, without having served in that Rank, to be placed on the List of Reserved Flag Officers, with the pay of 20*s.* per diem.

Captains now on the 14*s.* 6*d.* Half-pay List not to be affected by these arrangements unless by their own desire.

FURTHER RETIREMENT OF CAPTAINS UNDER ORDER IN COUNCIL OF 9TH JULY, 1864.

T. 1. The Active List of Captains to be reduced from 350 to 300.

2. The existing system of placing on a Retired List all Captains who may from time to time attain the age of sixty, without having served in their present rank, to be extended to Captains who may attain the age of sixty and have served a portion of but not the full sea time required to qualify them for promotion to the Active List of Flag Officers. Such Officers to receive Retired Pay, as follows:—

If on the 10*s.* 6*d.* Half-pay List when retired, 18*s.* per diem.

If on the 12*s.* 6*d.* Half-pay List when retired, 20*s.* per diem.

If on the 14*s.* 6*d.* Half-pay List when retired, 20*s.* per diem.

Such Officers to assume the rank and title of Rear-Admiral at the time they would have obtained their Flag by seniority had they remained on the Active List, and then to receive Retired Pay at the rate of 25*s.* per diem, subject, however, to the proviso contained in paragraph 8.

3. The above system of retirement to be extended to Captains who may have attained the age of fifty-five, provided they be willing and desirous to accept the same, subject to the proviso contained in paragraph 8. When the Active List of Captains shall have been reduced to 300, no Captain shall be eligible for retirement under this clause who has not been five years on that List.

4. Captains who shall be found physically unfit for service may, at the discretion of the Board of Admiralty, be allowed to retire, irrespective of age, at the several rates of 18*s.* or 20*s.* a-day, according to their standing on the List, provided they shall have served at sea in the ranks of Lieutenant, Commander, or Captain, a combined period of fifteen years, and, if less than that period of service, at the rate of 16*s.* a-day. Such Officers to be allowed to rise in rank and pay with other Captains of their standing, subject to the proviso contained in paragraph 8.

5. A limited number of Captains who may have attained the age of fifty, and who are not desirous of further employment, to be allowed, at the discretion of the Board of Admiralty, to retire on the foregoing conditions, and subject to the same proviso. When the Active List of Captains shall have been reduced to 300, no further retirement of Officers to take place under this clause.

6. Captains who may arrive at their turn for promotion to the Flag List, without

having served the time required to qualify them for their Active Flag, to be placed on the List of Reserved Rear-Admirals.

These Officers, and also such Officers as may, under the provisions of the Order in Council of 1st August, 1860, have been already promoted to the Reserved Flag List, to be allowed pay at the rate of 25*s.* a-day, subject, however, to the proviso contained in paragraph 8.

7. The increased rate of 25*s.* per diem Half-pay to be extended to Officers who, under the provisions of the Order in Council of 1st August, 1860, have already attained, or may hereafter attain, the rank of Rear-Admiral on the Retired List, subject to the same proviso. All Officers who are either now, or who may be in future, retired under the provisions of the Order in Council of 1st August, 1860, to be allowed to rise to the higher grades on the Retired Flag List, according to the seniorities which they respectively held on the List of Captains, but without receiving any further increase of Retired Pay or emolument.

8. No Officer who was not on the Active List of Captains previously to the 1st of August, 1860, to be allowed more than the pay of 20*s.* a-day on attaining the rank of Rear-Admiral, unless he shall have completed one year's service at sea in the rank of Captain.

FURTHER RETIREMENT OF CAPTAINS UNDER ORDER IN COUNCIL OF 24TH MARCH, 1866.

1. Captains to be retired on attaining 60 years of age, or when physically unfit for service, on the terms of the Order in Council of 9th July, 1864. Those at present on the Active List, who, before attaining the age of 60, shall have served the necessary time to qualify them for promotion to the Active Flag List, are to be allowed to retain their places on the Active List, if they should prefer it; but no Captain will be eligible for promotion to the Active Flag List after 60 years of age, or when physically unfit for service.

2. Officers promoted to the rank of Captain after the date authorized by Her Majesty's Order in Council, to be subjected to compulsory retirement on attaining the age of 60, whether they have served or not.

3. Captains of 60 years of age who have served the necessary time to qualify them for promotion to the Active Flag List, and who remain on the Captains' List, until promoted to Rear-Admiral, to be placed on the Retired List; but will be allowed to rise by seniority to the Rank and Pay of Vice-Admiral and Admiral respectively. Captains who have served their time, but who retire voluntarily before reaching the top of the List, will not be entitled to rise to higher pay as Flag Officers than 25*s.* a-day, in accordance with the Order in Council of 9th July, 1864.

4. Captains who have not served their time for Active Flag Rank, and who have been unemployed for ten years, to be retired on the terms of the Order in Council of 9th July, 1864.

5. Captains' List to be reduced gradually to 250, by filling up only two out of every three vacancies caused by age retirements from that List, whether optional or compulsory. Vacancies from all other causes are to be filled up as they occur.

RETIREMENT OF 1851—*continued.*

COMMANDERS.

The number of Commanders on the Active List will be reduced to a number not permanently exceeding 450, and the reduction will be effected thus:—

1st. By selecting 50 Commanders to be Captains, as above specified.

2nd. By increasing to 100 the List of Commanders promoted to the rank of Retired Captain under the Order in Council of 1840, and keeping such Retirement open until the number of Commanders on the Active List is reduced to 450.

3rd. By placing on reserved half-pay all Commanders who have not served afloat, or in the Packet or Revenue Service, within 20 years, or who are physically in-

capable of service, and by continuing from time to time to remove such Officers from the Active List to Reserved Half-pay. Officers who may be thus placed on reserved half-pay will be allowed to retain all the advantages they now enjoy of rising in pay or rank, or of receiving the Greenwich Out-Pension. (*This List was abolished in May*, 1863).

4th. The system of promoting by brevet will be abandoned. 50 Lieutenants, however, will be promoted by selection to the rank of Commander, to be placed on reserved half-pay, in the same manner as specified in the case of Commanders promoted to be Captains. (Further promotion to this List is abolished by Order in Council of 1st August, 1860.)

5th. By observing the rule of promotion of one in three vacancies (except in special and individual cases), as now in force, until the number on the Active List shall be reduced to 450.
